The doll includes a coconut cup with a brain shake and a small bone cocktail umbrella, a green brush and a map of Skull Shores. Ghoulia's hair is short and curly. There are two different versions of this doll that were released. Ghoulia's 5-pack hair is more curly and her sunglasses are a darker shade of green. Skultimate Roller Maze Ghoulia wears a dress with vertical stripes dotted with black, white and green colors, the dress also has pink fishet sleeves. His yellow goo bracelet has a whistle and his helmet is made to look like a brain, his knee pads are pink and his skates are black with blue and pink wheels, his heels designed to look like the brain pink goo. Her hair is put into two curls with a green and blue striped coloring. Playset: Scooter Ghoulia wears a grey and red white dress with a drip pattern under a white vest with red straps. His boots are black repainted from his basic boots. Her hair is curly at the ends and she wears bright green lipstick. She has red horn glasses and red cross earrings, although some dolls have been aired with white. It comes with a grey gravestone backpack with red straps, a black helmet with red trimming and a white stripe down the middle, a brain shake and a helmet for Sir Hoots-a-lot as well. Dot Dead Gorgeous The top of the dress is white with a blue eyeball pattern on it, and the underside is poofy, and is red with skulls and brains on it. The same material is used for the strap. Her bracelet is clearly grisoze which is dripping down her arm, her glasses are white and she has red cross earrings, her bag is a white chest box and can be opened. Her shoes are red brain heels with white bones for the body and a crossbone on the front. Ghoulia wears her hair in a ponytail, and she has curly, and fringed. Her makeup is silver and pink, with deep red lipstick. Scaris: City of Frights Ghoulia wears a black hooded sweatshirt that has a red, black and white striped hoodie, a blue rib cage motif on the chest area, and a red pocket with brain print on the bottom. Her accessories include a red recolor of her basic zip earrings, red horn glasses, pastel blue, converse high heels with white ankle. It has a red and black rectangular toolbox with its skull on the front and drips down the side. Her eye shadow is blue and white periwinkle, and her lipstick is granate. Her hair is tied up in a high ponytail with side fringes. My wardrobe and I this fashion pack comes with two and a half dresses by Ghoulia. The first team a short dress with grey cracked tombstones and red and black stripes across it. The second outfit consists of a black tee with white trim, a brain print bow and dark grey jeans with a dripping blood pattern. A cherry-patterned white vest with green trim is included for either outfit. Accessories include a blue skullette belt, pink worm earrings, black horn glasses and a red eyeball bag. Her shoes are blue heels with black lace fronts. The belt and shoe plants have a snake-like texture. Ghoul's Night Out Her outfit consists of a bright blue pencil dress, a red collar, black sleeves with red trim, white straps and a black two-layer skirt, printed with insoles of white and red glasses, with red belt trim. Ghoulia accessorised with a red hairband, red eyeball earrings, and a red brain-shaped bag. His glasses are of the familiar type with horn edges, this time in red. Their shoes have thick soles of the red brain, while the white bone body and bones crossed at the front. Her hair is on fringes, and she is tied up in a short top ponytail. The doll comes with a red iCoffin touchscreen style. Freaky Fusion - Nina Ghouls inspired by fusion: Ghoulia's face was slightly modified for this line, with a hole in her mouth that allows the removal of the accessory fangs that come with this doll. Her makeup is simple, sporting a simple eyelash eyeliner with electric blue eye shadow and navy blue lipstick. Her hair is light blue and dark striped, and she pulled back in two low-cut tails with fringes, mimicking draculaura's basic hairstyle. Clothes: Ghoulia's dress is a puff sleeve dress with a removable overskirt. The dress features black leaf sleeves with red trim, the body is a blue pattern with brains with bat wings. The dress ends with a black skirt. The overskirt is a ruffled skirt with a red bow and the same bat-winged brain as the body of her dress. The dress doesn't seem to have a link to any particular Draculaura dolls, but it may be one that Dracula has worn in the series. Accessories: To go with Ghoulia's modified mouth, she wears a set of accessory tusks that can be removed as earrings. She comes with a black bat winged headband, a red heart-shaped bracelet, a recast version of draculaura's basic umbrella and a retransmission of Draculaura day boots. Included, but not worn are a remade version of Ghoulia's Basic glasses in black. Extras: Like all other Freaky Fusion dolls, Ghoulia comes with a yellow brush and stand. Notes: Sweet Screams Doll: Ghoulia's face was modified specifically for this doll. With bigoted eyes and floral lilies, this Ghoulia has a thick black-faced painting, with a design around the eyes, such as spots. Her eye makeup consists of several layers of eye shadow, with light pink and chartreuse. Her lips are pink red and her eyebrows are blue. Her hair has also dark blue with black stripes, curly everywhere with a small side tail and long curly side fringes. Clothes: Her outfit is short and bouncy, with a black top with bright lines and a dark blue skirt with goeey rubber worms, in shades of green, pink and blue, with a dripy cut and a dark blue underskirt, in ruffles. The top, around her arms and neck, has red, navy and black vinyl shapes, with a goeey cut, framing the dress sleeves and cleavage. Accessories: This Ghoulia has a translucent headband, with green-molded rubber worms and a red brain wrapped inside, translucent blue glare with worm handles and red eddies on top, a black, red and blue beaded necklace. Gloves molded with cuffs and black drip beads, as well as a translucent green rubber worm bracelet and a blue goeey belt, with a green coat and blue and red pearls. His boots are covered with translucent and red rubber worms wrapped everywhere and on his heel. Finally he also wears red rubber earrings and a rubber bear bag, with the red fade in translucent green, with painted eyes and a blue handle. Extras: The dolls include a black stand and brush and a candified Sir Hoots-A-Lot. Notes: Love's Not Dead Doll: Ghoulia, ready for a date with Slo Mo, wears bright red lipstick and a smoky eye with red eye shadow in the crease and light blue under her eyes, as well as a grey coat. This specific Ghoulia also has a red highlight in its iris. Her hair is styled in a beehion with bangs lying on the side. Clothes: This doll wears a formal short dress, patterned with a black background with elements such as red hands and white chest box hearts. The dress is trampled on the bottom, with a blue underskirt. In addition, the dress also has a sheer part around the neck and bust, sewn to the heart of the dress. The dress also includes a red belt strap around the waist. Accessories: From top to bottom, Ghoulia wears a red brain/flower headboard with black leaves and vines, as well as her classic red glasses with dark blue lenses. She also sports hand earrings with a red pearl with a cherrie charm molded with skulls. His shoes are red and wedge, with straps on the front, which are melting. Extras: The set includes a buquet of red flowers like the brain in a black layout. Notes: This doll is only available in a pack of 2 with Slo Mo Geek Shriek Doll: Her hair is in a curly ponytail. His eyes shadow is bright blue. Clothes: His shirt is black and white checkered with pale skulls on it. He has a small red tie. Her skirt red striped squares in a tessellant pattern with eyeball designs and glasses on it. His shoes are red sneakers. His glasses are black with a white bridge. Accessories: The doll does not come with any accessories. Extras: The doll doesn't come with any extras. Notes: Playsets for Purposes, information about the playsets associated with Ghoulia Yelps, either because the playsets are made for their dolls or because one of their dolls is included with them, is only available elsewhere on the Monster High Wiki.
