related talk can be found at 93.3 and 107.1 in the afternoons. Gyms? The best is Healthworks, but there are a few others around. I personally haven't needed any car mechanics, so take this for what it's worth. Most businesses are part of the chamber in El Do. The chamber is at the
forefront of economic development for Union County. That said, the chamber's long-standing leader resigns. No idea who's going to take his place. There are car shows, but I'm not sure they're annual events. I know papa pablanos (Mexican restaurant) usually sponsors one occasionally. It
could be one of our downtown events that will have a car show. Since it's not really my thing, though, I rarely pay much attention. Advertising usually happens on radio, cable ads and newspapers, but word of mouth can definitely have an impact. El Dorado News Times is the local daily
newspaper for El Do. Magnolia has its own daily, and Camden has its own daily. On Sundays, the three share a common problem. There is also a local weekly newspaper called South Arkansas Leader. Not much in the way of news in it, though. Speaking of which, it is available online
through the main local website www.eldoark.com, which is primarily used to place free classifieds but has some community stuff on it. [domain blocked due to spam] is toxic. Unfortunately, nothing else that is local, other than the News Times When it comes to politics, you've come to El Do
in a time of change. Judge Bobby Edmonds is not running for re-election. Longtime politician and current Mayor Mike Dumas is not running for re-election. There are some new faces running, and definitely some younger people are running, so
things get interesting. On county-wide issues, it tends to be an El Dorado vs. county mindset. Politics inside the city can become petty at times. Main Street El Dorado organization has been very influential in the marketing of the downtown El Do site, and planning events/festivals almost
every month, with the largest and most successful being Musicfest every October. Visit www.goeldorado.com (chamber area) and www.mainstreeteldorado.org for more information. For pizza, you have your standard Pizza Hut, Pizza Inn and Dominos. You also have Main Street Pizza and
La Piazza. They have all their advantages and disadvantages. For BBQ, JJ's have been around for a while. A few new places have opened recently. Cranky Frank's is one, but I can't remember the name of the other. No arcades. The only place to get games in El Do is Walmart, now that
Hollywood Video is approaching. I wish we had a Gamestop like Magnolia. I hope it helps someone. If you have any further questions, let me know. Page 2 I'm trying to move into the Pangburn School District and I need to find a house for rent or rent. I have a 5-year-old with disablities and
have heard great things about the school system. If anyone can help me, I'd be grateful. Page 3 04-07-2010, 22:41 2 posts, read 3822 times Reputation: 10 We currently live in Conway, love it and don't really want to leave. Unfortunately, we can not stay in our house because of the owner
foreclosure. There's nothing in Conway that's big enough for our family to rent, so we're forced to look outside Conway. I found a house in Jacksonville that would work well, but know nothing about the schools. It is on 8 acres outside LRAFB, where the airstrip is. I don't know which schools
the kids would go to. I haven't heard anything positive about the schools. I have one that will be in 10. Can someone tell me what they think of the schools? Thanks « Previous Thread | Next thread » Data: Median household income ($) Median household income (% change since 2000)
