Guide for participating in personal prayer and dedication – St. Theresa Parish, Palatine, IL Greetings from St. Theresa Parish! We rejoice that we are able to re-open our doors to personal prayer and devotion at this time. Ensuring the physical health and well-being of all who come to pray provides the following guide on how participation in personal prayer and admiration should be done. CHECK-IN Every person who wishes to participate in personal prayer and dedication is required to introduce themselves at the check-in house on the east side of the Church near the Chapel Entrance (follow Adoration signs). At the time of check-in, a volunteer will greet you to verify the following: You wear a protective face covering What you're sick or have a temperatureYou sanitize your hands with the supplied sanitizer before entering the main church The greeting will then escort you to an usher for logging. Signup is needed and includes your name, the seat you're assigned to, and what time you're sitting for prayer. The usher will provide a reminder that personal prayer and admiration are limited to 20 minutes if there are additional people waiting to sit. The usher will then guide you to your assigned seat. Each person has their own chair. If there are individuals waiting to sit, you will be alerted a few minutes ahead of time when your 20 minutes come to an end. PRAY You will also be reminded that when you sit, you are asked not to leave your seat/ to move the church around until you are ready to leave. It helps your fellow volunteer parishioners in maintaining a clean and secure environment for all those entering. *If others wait to pray, at the end of 20 minutes, an usher will approach you to let you know that there is a line and that your 20 minutes are over. *Because there is no guarantee that you will have more than 20 minutes in prayer, please consider that some of the forms of personal prayer and devotion require longer than 20 minutes when choosing how you want to spend your time in prayer. If there is a line, you will be asked to complete your prayer and leave the church after 20 minutes. EXIT Once you have completed your time of personal prayer and dedication, please follow the arrows on the floor marking the path to the exit. NOTE: it's through a different door than the one you came through. On the way out, avoid touching any of the chairs, pews, statues, wall hangings as much as possible. Again, this helps your fellow volunteer parishioners in maintaining a clean and secure environment for others. We hope this guide is useful and helps you have a gracious and peaceful time with our Lord. If you have any questions, please ask the greeting or guide who you are assisting when you first arrive. —The St. Theresa Parish Re-Opening Team The time has officially come to welcome you back home!
