We will make sure that it stores the original pictures without changing anything, including the watermark. Every picture gallery we publish always carries a link to the owner, which we find under each picture. That's why so many people ask us about the appropriate right about paintings in our gallery. If you want to know your right, contact each photo website, because we cannot determine your true right. Remember, if you don't see a watermark, it doesn't mean their photos can be used freely without permission. The information, names, images and video details mentioned are the property of their respective owners and source. Source.
