God and his holy mother bless your heart to make this great book available to us. Would you please look at putting up hymns and Kidase Mariam, I noticed you have mezmure dawit on tigregna version, it would be great if you can do one in Amharic, also if you want to add Mehalye mehalay (song of songs) on the same app as the hymns book, because Song of Songs is read along with hymns in prayer order. You will end up benefiting your soul, ours and our children by having this prayer books readily available on our mobile devices; because the next generation seems to be slipping away from hard copy books and its time to store our beloved books digitally. Egziabher yistlin. PS if you also want to add Anketse Birhan thank you. We've updated the app, check it out. Thank you for your feedback and remember us in your prayers. I've been using this app for a number of months. But I tried to download it again on my iPhone 4S but couldn't be successful.
