Post Stock Market Rescue: I would like to invest a month in £500 a month in cheap shares to make a million Motley Fool first appeared in the UK. NOT FOR THE RELEASE, Publication or Distribution OF SUCH PUBLICATION, Publication or DISTRIBUTION IN AUSTRALIA, CANADA, JAPAN OR THE UNITED STATES, in part or in any jurisdiction where such publication, publication or distribution would be illegal, in part or in a completely direct or indirect way. Oslo announced that on December 30, 2020 Saga Pure ASA (Company or Saga) will carry out subsequent share offerings (each Next Offer) and subsequent settlements completed on the dates mentioned above, referring to stock market announcements on December 14, 2020, December 21, 2020 and December 29, 2020. More important information about subsequent Offers was published on 15 December 2020, 22 December 2020 and 30 December 2020. Subsequent Offers will launch as soon as possible after the release of a prospectus to be prepared by the Company, and it is currently expected that this prospectus will be approved by the Norwegian Norwegian Financial Supervisory Authority and published by the Company in January 2021. In subsequent Offers, as of December 14, 2020, December 21, 2020, and December 29, 2020 (as set forth in important information notices), the Company's shareholders will be entitled to subscribe to the subscription price corresponding to the subscription price in each of the special placements in early December 2020. These shareholders will receive non-transferable subscription rights (Subscription Rights) that can be used to subscribe to shares in subsequent Offerings. Up to 4 million new shares will be formed in the next Offer company after special placement on 14 December 2020 NOK 2.10 price per share. Following the special placement on December 21, 2020, the offer will consist of up to 4.9 million new shares in the company. Following the special placement on December 29, 2020, the offer will consist of up to 4.8 million new shares in the company. Subscription Rights for each subsequent Offer are granted as a separate ISIN for each subsequent offer, and each shareholder with Subscription Rights must exercise the Subscription Rights for each subsequent Offer if they wish to participate in subsequent offers. If Subscription Rights are not used within the subscription period, Subscription Rights will be deleted automatically. The subscription period for the Next Offer will be the same for each of the Next Three Offers and will begin shortly after the

release of the prospectus. Subscription Rights are credited to each eligible shareholder's VPS account shortly before the start of the subscription period. The number of Subscription Rights granted to each eligible shareholder will be announced later. More information about subsequent Offers will be provided in a timely timely way.
