Application Associates & BaldwinFiltersRUs is an independent provider of genuine Baldwin filters and is not affiliated with most of the manufacturers mentioned on this website. The original names of the equipment manufacturer (OEM) are the registered trademarks of each manufacturer. In parts, filters and lubricant products marked as equivalents or substitutes, OEM names and part numbers are reference-only. Industrial and commercial website Developed by SmartSites Für alle unsere Angebote, Verkäufe und Dienstleistungen in der Schweiz und Fl gelten ausschliesslich die nachstehenden Allgemeinen Geschäftsbedingungen AGB. Sie bilden einen integrierenden Bestandteil des Vertragsverhältnisses. Abweichende oder zusätzliche Bedingungen werden nur anerkannt, wenn sie ausdrücklich und schriftlich vereinbart worden sind.2. Angebot/Offerten sowie Abbildungen, Material- und Massangaben to Prospekten und Katalogen sind unverbindlich. Offended ohne Gültigkeitsdauer verstehen sich freibleibend. Ist in einer Offerte eine Gültigkeitsdauer vermerkt, so the offer is binding for as long as the order is with us within this period Order/delivery timesAll oral and written orders are considered accepted if they have been delivered or confirmed by the SF Filter. Cancellations and claims for damages are not allowed in case of delayed delivery or delivery completely disappeared.4. Prices Not otherwise agreed, the prices valid on the day of the order apply in principle. SF-Filter expressly reserves the right to adjust prices at any time. All prices are net plus VAT, packaging, transportation, cash in delivery costs. Additional costs for special requests will be borne by the customer.5. ShippingThe delivery is made from Bachenbülach. For all deliveries, the customer assumes the risk of transport. The benefits and the danger will pass to the customer no later than the departure of the delivery from our warehouse. This also applies to partial deliveries. SF-Filter may refuse deliveries if there are pending claims against the customer.6. Sample, sample, or visualizationSample broadcasts, sample and visualization broadcasts are generally charged. Special agreements are excluded. In case of repayment within 2 months, a corresponding credit will be issued, depending on the condition of the returned goods.7. Payment Our invoices must be paid within 30 days from the date of the invoice, net, without any deduction. The exception is the special agreements made in writing. For installations starting at 30,000.– net, The General Conditions of Delivery of the VSM (Association of Swiss and Industrial Machinery: One third of the deposit are applied within one month of receipt of the order confirmation by the customer – one third at the maturity of two-thirds of the delivery time - the remaining amount within a month after notification of availability for shipment by the supplier. The deviated payment terms require the express written consent of SF-Filter. All delivered products are still the property of SF Filters until full payment has been made. Retention, compensation or reduction of payments for a notice of defect, delay in delivery or contrareclamation not recognized by us is not allowed.8. Complaints about defects and complaints by the customer must be made immediately, but at most within 8 days, after receipt of the goods by the supplier.9. Warranty/warrantyThe warranty period is 12 months after notification of availability for shipping. The warranty obligation will be cancelled in the event of damages due to non-observance or non-execution of maintenance and inspection works or in the event of defects due to undue storage, ignorance of operating regulations, malfunction, excessive insufactory maintenance, natural corrosion and/or other reasons. The SFFilter cannot be affected by consequential damage of any kind. Mobile filtration: SF-Filter guarantees the quality of all filters supplied by them and is responsible for engine damage within the scope of the relevant legal provisions, provided that the only cause of the defect is demonstrable due to a filter supplied by SF-Filter. The warranty expires prematurely if the customer or a third party performs repair work on the goods without the prior written consent of SF-Filter. The rectification of defects is carried out at the discretion of SF-Filter through repair or replacement delivery. Unless in cases where the customer or third party has been authorized or instructed in writing by SFFilter to carry out the repair, the supplier is not obliged to assume the maintenance and elimination costs. If the customer or third parties incorrectly executes SF-Filter instructions or instructions, any liability of the supplier is excluded. Any damage must be reported within 24 hours and/or the damaged filter, including replaced spare ropes, must be made available for inspection within 8 days. Industrial filtration: The guarantee provisions of the VSM (Swiss and Industrial Machinery Association) apply to industrial filters, machines and systems.10. Return of goodsThe customer has no right to return the goods duly delivered by us. A refund requires our express consent. Only goods and containers will be returned in perfect condition. A deduction is charged for processing and replacement costs.11. The place of celebration, place of jurisdiction and applicable legislation in the place of performance and place of jurisdiction is Bülach for both contracting parties. However, SF-Filter reserves the right to assert its claims in any other competent court. Swiss law applies. The German version of the GTC is decisive. Terms.
