KOF98 Ultimate Match Online (KOF 98 UM OL) is an SNK Playmore mobile game officially authorized by PlayHit Southeast Asia. It's a free-to-play, tactical RPG fighting mobile game King of Fighters '98 Ultimate Match.a king of fighters ultimate match online online easy -guide -kof 98 um ol-fighters-kof 98-kof Alberto street-online king fighters can help you play king the king based on mobile games, video games and movies. Kof '98 UM OL GuideKing of Fighters '98 Ultimate Match Online Tips For Free PlayersThis KOF '98 Ultimate Match Online (KOF '98 UM OL) starter guide is 2011 to help new free players (players who aren't willing to spend real money on the game to move forward) unlock more fighters and maximize in-game money benefits to bring the team you want together. Although this guide has been made of free players thinking, I am sure that each new player will benefit from the following tips.1. Get free Diamonds as a free player to play in each DayAs, KOF '98 Ultimate Match Online offers a variety of resources to get free diamonds. Diamonds are the most valuable currency in the game that you can buy with real money. There are daily activities that you need to complete to get as many diamonds as possible in this game. Check-in and total check-in package rewards both include diamonds, so you're signed in every day to buy a nice amount of diamonds a month. Arena will reward you with diamonds according to your rank every day, better rank, better rewards, that means you need to build a good team fast, earlier to get this daily diamond. Below you will recommend some of the best fighters for beginners and the easiest to unlock. (You can request diamonds in your email.) The daily opened prize of 50 diamonds will have to execute a certain opening to win this prize. Ask the leader of your club or you can ask in the world chat window, people are always ready to say (you can request an email reward). Join the club war every day. Al if your team is not performing very well, you will receive 20 diamonds as a reward (check your Email to request it). Join the clone battle every day and complete three stages for the chance to get 30 diamonds. Billy stick (club feature) is a mini game that will give you some diamonds based on your performance, initially you probably won't get much, but once you reach level 62 jump on stage In this mini-game which is 60, you can get the maximum amount of diamonds per day that make it much easier to reach. Stay tuned for official calendar events, as some of them are diamonds and other important promotions to consider. Kof 98 um save your diamonds!2. Don't spend any DiamondsDiamonds Probably KOF98 UM Online is the most important currency. They can be purchased with real money, and they can also be purchased by free players through the game without spending a penny. The game will have to be more patient and careful with diamond management as it will be tempted to spend many times during the day. Of course, there are some exceptions to this rule, spending diamonds such as limited events or sales are really worth it. I will name them in the following tips. Where's he going to spend the diamonds? This is a really subjective issue, the first x10 draw is a recommended investment besides a 4 star fighter, to get. It really depends on the style of play, some people may be looking for specific fighters since their favorite characters in the King of Fighters universe, some others don't care at all and just want to get powerful fighters to be super competitive. Both are valid reasons to play. So let's say you have a sale that is part of the first group and you can buy your favorite warrior for a series of diamonds. Go for it! Since you can literally spend thousands of diamonds and this does not guarantee to get the desired fighter the lucky draw event I think is too risky, I invest rather in a safe bet. If you want to take your chances of this event, I recommend at least 18000 diamonds to invest in. If you're one of the second group, save a lot of diamonds so you can get your first Skill 14 fighter as soon as possible from the time-limited towing crate. I'll explain it downstairs. King of Fighters 98 UM Online Tips and Strategy Guide3. Time Limited Draw EventThis is probably the most anticipated event in the game, and for a very good reason. QS bosses I can get commonly known as 14 or 15 fighters, an attitude of this event, mentioned earlier. This is almost an auction, where the first 30 people who invested in the most diamonds buying crates during the event will receive fighters. You can either buy a crate for 80 diamonds (not recommended at all) or 10 680 (use this option). It is also worth noting that there is a small chance to get warriors (3 or 4 stars) there with each open chest. For each set amount of diamonds you spend, you get a free chest with featured warriors and lots of other beautiful rewards like tones and badges. Of course, winning won't be easy. If you are interested in participating in this event, you need to save the diamond tone. It is not possible to estimate the exact amount of this. This will guarantee the fighter, but after a lot of time playing this game, I am sure that the best way to get a boss warrior, especially for free-to-play players, is to invest diamonds only to reach 3500 points at auction. In this way, it will unlock the entire chest containing warrior parts at auction and most likely get fighters in the process (3-star version or 4 if you are lucky). If there are no warriors at this point, it is worth investing a little more diamonds until you get it, and stop immediately after that. Don't worry about being in the top 30, it's usually for whales, warrior and server-to-back. Use the best decision here. If your server is considered cheap or the fighter is not popular, you can get a place in the top 30 after the first auction, repeat the process at the second auction for the same fighter so you can break down enough parts to increase the stars or open the items. The second auction usually comes two months after the first.4. Save Diamonds for Slot Machine Event (One Arm Bandit) One Arm Bandit is always a good idea to multiply your diamonds for the event. This is definitely the best event for free and VIP players. It happens once a month, whether free players attract five and VIP attracts 5 or more 3 more, but each pull diamond costs a set of quantity and you get a higher random amount of pull cost within a set limit. Each consecutive pick cost is more expensive but the reward is larger, below you can see each pick cost and reward limit; First PullMost available: 1777Cost: 777Second PullMost available: 5777Cost: 2777Third PullMost available: 16777Cost: 77777thmost Available: 43777Cost: 20777Bessinth PullMost available: 77776 Pull (VIP) 5 must be continued here) most available: 177777Cost: 10777Seventh Pullmost available: 37777Cost: 23777EighthMost Pull available: 67777Cost: 557777Flebrate official Kof98 to keep track of events on page 98 to know when slot machine event arrives. Kof 98 um OL Guide: Save Diamonds for Slot Machine Event 5. Joining an active ClubJoin club will unlock more features that will allow you to buy club store and club coins and free diamonds every day and warrior parts. The better ranked the club you join, the higher the rewards you earn. Make sure you are active by joining an active club and completing daily club activities such as club war, daily gold donation and club struggle among others. The sooner you join a good club, the sooner you start hoarding club currency. Ko98 UM OL Guide: Re-Combination Warrs for Beginners (F1p)6. Recommended Warriors for BeginnersAna and to advance throughout the elite campaign, it is important to build a good team early. This will also help Position yourself in a better rank in the Arena that will give you more Diamonds per day.
