## Riki oh the story of ricky full movie

Riki-Oh: The Story of RickyTheatrical release posterDirected byLam Nai-choi Produced byChan Dung ChowWritten byLam Nai-choiTetsuya SaruwatariBased onRiki-Ohby Masahiko Takajo and Tetsuy a SaruwatariStarringFan Siu-wongFan Mei-shengHo Ka-kuiYukari OshimaFrankie ChenDistributed byGolden HarvestRelease date October 5, 1991 (1991-1991-199 1-1991-1991-1991-10-05) (Japan) April 9, 1992 (1992-04-09) (Hong Kong)Playing time91 minutesCountryHong KongLanguage CanonseseBox kontorHK\$1 2 147 778 Riki-Oh: The Story of Ricky (Chinese), also known as Story of Ricky, is a 1991 martial arts film written and directed by Lam Nai-Choi; and is based on the Japanese manga Riki-Oh by Masahiko Takajo and Saruwatari Tetsuya. The film stars Siu-wong, Mei-sheng (Siu-wong's real father), Ho Ka-kui, Gloria Yip, and Yukari Oshima. Siu-wong plays Ricky Ho Lik Wong (Lik Wong is the character's first name, but the subtitles use the anglicized Ricky) who is a young man who has superhuman power and fighting abilities. Yukari Oshima plays Huang Chung (Rogan in the English dub). The English title given on screen is simply Story of Ricky but later releases were sold under the title Riki-Oh: The Story of Ricky. It had a limited theatrical release in the United States in 1993. It is well known for its acting, narrative, extremely brutal and very unrealistic violence, as well as its high camp factor and extremely poor English dubbing (although versions in Cantonese and Mandarin are also available). The film is considered a cult film. [1] Plot Until 2001, all prisons have been privatized. The likes of Wong/Ricky Ho, a martial artist, and former music student, are sentenced to 10 years in prison for manslaughter after killing a crime master indirectly responsible for the death of his girlfriend Keiko/Anne after a group of thugs chased her from the building to her death after witnessing their heroin affair. It is revealed in a flashback Ricky's name as a child was Rick, but his uncle, after seeing how strong he was, decided the name Ricky was more appropriate. It is also revealed that Ricky has several bullets inside him that he received from his attack on the crime master, which he refused to remove because he considers them souvenirs. An elderly prisoner, Ma/Omar, is attacked by the captain of the Wildcat/Samuel cells. Ricky travels Samuel, who falls face first on a well-placed piece of wood with nails. After this, one of the inmates suggests that Zorro, a dangerous, morbidly obese prisoner, kill him. Omar is informed by the guards that his probation was rejected after Samuel's lies, telling the guards that Omar spread dirty rumors. Affidavit in grief, Omar hangs himself. Zorro attacks Ricky in the shower room, but is easily killed and gutted by Ricky's bare hands. Ricky thwarts Samuel's attack, squeezing his hands until all his fingers broke before punching a hole in his Kill him too. Shortly thereafter, a member of the Four Heavenly Kings (Gang of Four in the English dub) named Hai/Oscar the leader of North Cell, suggests that Ricky see one-eyed assistant Warden Dan. The director shoots Ricky with a gun only for Ricky to slap the bullet away and retaliate by hitting the air as hard the Warden begins to bleed. After Ricky's confrontation, Dan suggests oscar kill him. Outside the prison yard, Oscar and Ricky take part in a fight. After losing an eye due to a backhand blow from Ricky, Oscar cuts a hole in his stomach and uses his intestines to strangle Ricky. Ricky breaks free, delivering a skull crushing blow that kills Oscar. Ricky soon discovers that Gang of Four is growing illegal opium for profit. Huang Chung / Rogan, leader of West Cell, discovers Ricky setting the poppy garden on fire, leading to a fight. Brandon, the leader of South Cell, throws needles to tie Ricky up with them, leaving him defenseless. Meanwhile, the guards report to Dan that Warden is returning from his vacation, prompting Dan to raise Zero Alarm, causing the defense system to shoot someone outside his cell. As the fight continues, Tarzan, leader of East Cell, arrives announcing his intention to fight Ricky but leaving alongside the gang as Zero Alarm goes out. The next day, the warden and his spoiled son return from their vacation. Dan informs the Warden about the events, including the poppy garden. This infuriates Warden, almost turning him into a Hulk-like creature, even if he prevents it by taking medication. As Warden tortures and issues Ricky, Tarzan bursts through the wall to fight Ricky, who ends up in Ricky chopping half of Tarzan's left arm and breaking his underhalf. Warden activates a roof trap on Ricky who struggles to survive. Tarzan regains consciousness and holds the ceiling, only to inadvertently save Ricky by crushing himself. After escaping, Ricky finds a photo showing Tarzan had a family waiting for him. The warden orders the prisoners to bury Ricky alive, as they reluctantly obey. Warden suggests if Ricky survives underground for a week, he will free him. Ricky survives by eating dog meat, but Warden denies him freedom. Later that night, Ricky is brought food by an inmate Freddy. Another inmate informs Dan, the prison's snitch, who fatally wounds Freddy. Dan then opens Ricky's cell to mock him. However, Ricky breaks free and kills the snitch by hitting the top half of his head off and then knocking out Dan's remaining eye. The prisoners then rebel and violently ambush Dan, chopping off his arm. A prison riot team arrives only for Ricky to easily punch holes in their bodies. In the kitchen, Ricky, the prisoners, and Dan burst through the wall. Warden shoots Dan with a homemade gas-printed bullet, causing him to blow violently violent Rogan and Brandon confront Ricky, who seriously injures Rogan by tying her limbs together. Brandon, realizes Ricky is way too powerful for him, fleeing from the scene, but not before Warden shoots and kills Brandon. Warden, reveals that he too, is a martial artist who also went to the same school as Ricky, loses control and finally turns into a grotesque Incredible Hulk creature and battles Ricky. The fight ends with Ricky crippling and throwing the mutated Warden into a meat grinder, turning him into minced meat. The prisoners rebel again and begin attacking the guards until Ricky reaches the prison wall, throws the warden's mutated head at the frightened guards, and breaks the wall. Rick explains to all prisoners that you are all free now, allowing the prisoners and himself to walk free. Cast Siu-Wong as Corpse Wong/Ricky Ho Mei-sheng as Deputy Warden Dan Ho Ka-Kui as Warden Yukari Oshima as Huang Chung/Rogan Tamba Tetsuro as Master Zhang Gloria Yip as Keiko/Anne, Ricky Ho's Girlfriend Kwok Chun-Fung as Lin Hung/Andrew Frankie Chin as Hai/Oscar Koichi Sugisaki as Taizan/Tarzan Wong Kwai-Hung as Baishen/Brandon Chang Gan-Wing as Ma/Omar Lam Kai-Wing as Wildcat/Samuel Chan Ging as Yeh Ming/Edward Lee S Lauhung-fung as prisoner Wong Kwok-leung as Warden's Son Chan Kwok-Bong as Alan, Alan, Hai/Oscars godson Lam Suet as narcotics chief Bill Lung Biu as prisoner Kong Long as prison guard Ling Chi-Hung as prisoner Cheung Yiu-Sing as prisoner Choi Kwok-Ping as prisoner Cheung Yuk-San as prison guard Chiu Chi-Shing as Prisoner Yuen Wah as Prisoner Production The plot closely follows the events depicted in the original Japanese comic and its anime adaptation , with some minor changes in some instances. The film is notorious for its excessive use of graphic violence and gore, mainly due to the fact that the protagonist is virtually invincible, has impossibly great strength and can practically withstand all pain, which is partly explained by Ricky is a practitioner of a superhuman form of qigong. This leads to attempts by other characters to subdue him who are ultimately extremely bloody and over-the-top. Aside from the aforementioned head crushing and meat grinding scenes, most notable[2] is a fight scene between Ricky and a knife-wielding prisoner named Oscar. During the fight, Oscar throws powder glass into Ricky's eyes and then slashes Ricky's right arm. Ricky, seemingly done, crushes a water pipe and cleans his eyes, then uses his teeth and left hand to tie the veins and sinew in his arm together again. Oscar then charges at Ricky, but Ricky dodges and punches him in the back of the head, popping one of his eyes out, leaving it to be eaten by crows. Seeing himself at a disadvantage, Oscar tries suicide by seppuku. But when Ricky approaches Oscar to try to stop the suicide, grabs his own intestines and wraps them around Ricky's neck in an attempt to strangle him, prompting the deputy warden to exclaim in the English dub: You have a lot of guts, Oscar!. Ricky then punches Oscar in the face, with an X-ray showing the front of his skull shattering. The deceased Oscar crumples to the ground without so much as a visibly broken nose. In another fight scene, Ricky punches and graphically breaks the Gang of Four member, Tarzan's arm, then lands an uppercut with such force that Tarzan's jaw is torn off. Finally, Ricky goes for the Coup de grâce and knocks several of Tarzan's fingers off as he tries to beat Ricky. Another scene includes the warden's graphic death which depicts Ricky throwing him in an industrial meat grinder. Ricky pushes the struggling manager through the mill, until his whole body is shredded and only his head remains. In that scene, so much fake blood was used that Siu-wong could not wash the blood from his skin for three days. Reception This section needs expansion. You can help by adding it. (April 2015) The Riki-Oh box office received category III ratings (viewers under 18 not allowed). It was one of the first Hong Kong films to receive such a rating for non-erotic content. This rating greatly hampered the film's ability to make money at the box office. The film earned \$2,147,778 HKD in Hong Kong. Critical response Riki-Oh has an approval rating of 89% out of 9 reviews, with an average rating of 7.1/10. [3] Michael Atkinson of The Village Voice called it a rather startling, sharply stylized blood flood set in a privatized prison. [4] Kurt Ramschissel of Film Threat gave the film 5 stars, saying that the violence comes fast and furious and is as outrageous and over-the-top as Sam Raimi or Peter Jackson has ever been. [5] J.R. Jones of the Chicago Reader said: If you can handle the tide of horrible violence, you'll find yourself royally entertained by this Hong Kong actioner. [6] Home Media In The U.S., Tokyo Shock released it on a bare bone DVD in 2000. In 2002, Hong Kong Legends released their DVD in Region 2 territories. [7] In 2003, Fortune Star (formerly Mega Star), the current owner of the Golden Harvest Library from Media Asia, released a Remastered version of the film on a 3-disc that, along with: The Dragon from Russia and City Hunter. The film was released on Blu-ray by Media Blasters in 2011. [8] Riki-Oh: The Story of Ricky became available in its original Chinese with hard-coded English subtitles on the Netflix Instant Streaming service in mid-2012. The film aired on Turner Classic Movies on November 2, 2012 and April 14, 2013 as part of TCM Underground. Legacy Riki-Oh has been mentioned as an influence on the Mortal Kombat series of fighting games. Similarities include bloody fatality finishing moves, between between and Liu Kang, and the X-ray attack. [9] [10] Video game convention EVO concludes all of its events by showing the memorable You're all free now scene. [11] A scene, showing a character smashing another character's skull with his bare hands, later became a regular fixture on The Daily Show during Craig Kilborn's time as host. It was alleged that a sequel titled Dint King Inside King (aka Story of Ricky 2 or Super Powerful Man) was released in Hong Kong in 2005, although the plot does not follow the events that probably occur after Ricky breaks out of prison, and takes place in the distant future as opposed to 2001 for the first film. The film was never released in the United States or in Europe but is available on DVD (without English subtitles) through Panorama Entertainment. Oddly enough, and possibly due to rights issues, the film is built as a standalione project despite casting Siu-wong in the title role, sporting camouflage poncho seen in flashbacks and in manga. Even the characters have different names (Ricky's name is He Shen in this movie). References ^ ^ 100 Greatest Movie Fist Fights – UGO.com. Filed from original on January 6, 2011.
