Down by the bay raffi ukulele chords

I love the silliness and language games in this song. The praise and imagery is great for all ages, but older preschoolers and school-age kids can really get into it, throw out suggestions and create verses. Our local kids often knew Raffi's version, so I started with a few verses, then went from there. Next time I sing this song, I plan to bring pieces of my feelings from A Hunting We Will Go to use as a visual cue, so that the verses below are inspired by those images. Near C G7 Bay By the bay, where the watermelon grows, C Back to my house, I dare not go, F C For if I did, my mother would say, (Stop) Have you ever seen a fox sitting in a box of G7 C Down by the bay?
