Click here if you don't have QooApp. Imagine a match-3 game on a hexagonal grid instead of the dull square grids we see all the time. No one should imagine! Because Monster Busters: Hexa Blast is here to make you experience that unique mechanic. Boasting a match-3 game with a vibrant cartoon concept, Monster Busters: Hexa Blast is not only fun to play, but also an amazing look. Monster Busters: Hexa Blast Desktop Unique ConceptInstead Crush Candy, You Will Be Monsters pose as match-3 gems. Of course, the game is a critical hit to your sweet spot if you kill kill What Sets Monster Busters: Hexa Blast PC is a hexagonal character in grids. More options need to be considered for this agreement. You will have to throw away everything you learned from a typical match-3 game because you will need completely new strategies. In addition, it also means that the game has a whole new set of power-ups. Also, even the level selection screen monster busters: Hexa Blast Desktop is very unique. Instead of a dull linear level, you will climb into the tower. In addition, each floor has a set of equal and bonus elements that you can choose. So you can say goodbye to the fact that play level 9 to move to level 10. You can choose any level you want until you reach the floor. You can then unlock more floors by purchasing a sufficient number of stars. So, in short, you will get a not-so-linear selection of levels that allow you to ignore terrible levels as long as you excel in the next stages. Defeat boss monsters of course, one of the most interesting features of Monster Busters: Hexa Blast-Free is the presence of enemy bosses. They add interesting depth and freshness to the game, because the unique mechanics accompany every boss's monster. Nevertheless, some boss monsters are defeated to target them with power-ups. While others are isolated from others in the segregated sixteenths and require sophisticated tactics to be defeated. Now, if you want a gust of fresh air in the match-3 subgroup, then this game is perfect for you. Go and Get Your Monster Busters: Hexa Blast Free Download Now! No, it's not just a fun and challenging puzzle store for you. Play Roll Ball - Slide Puzzle and Brain It On! - Physics puzzles as well. Downloading is free on your PC device! Do you like puzzle games? Of course you're not you! Experience a great, colorful, vivid puzzle game of matching similar objects, with a unique twist! There is a storyline here that will not be broken, but the game means matching at least three or more monsters of similar color to kill them! You will be saved by Gingerbread friends (you want) on the board, which is arranged in hexagons, making it the name of the game. There are some very awesome boss fights, an abundance of different missions and enemies that will make the whole game immersive. Later you will see how to get monster busters hexa blast and computer. Popular, mainstream Monster Busters. Monster Busters makes it a very popular game with millions of downloads and it's easy to see why. The game is ridiculously fun and addictive and it doesn't stop just being a stupid puzzle game. There is a storyline involved and it immerses the player in how good games do, want to play them often and want to play them for a long time. There is an Arabic theme to it in your artwork and that can memories of the Prince of Persia to you old school players. Those players really love him. The game can be figured out, toyed with and played by children as well as adults. Often updated Korean developers, you are sure that you have a pleasant, lively experience to get acquainted with the game. It can also run on phones still gingerbread. You have to save those Gingerbread friends in the game after all, perhaps the developers made it Gingerbread friendly. Monster Busters is relatively easy for your storage memory, weighing in at 45 MB. These are peanuts compared to games that require 2 GB of game data. So that sits nicely on your phone memory. The size pit when you find out you can play the game on your computer. It's true you can have Monster Busters Hexa Blast PC! Game features! The game has more than 400 stages, and each episode consists of stages filled with different types of challenges. There is a free sense of adventure games as well, while climbing the monster tower is the highlight of the game. Innovative puzzle games thanks to hexagon boards, which is complicated because it is interesting. Share love! You can engage in fun games with friends, rewarding each other with free life to return from the dead if necessary.
