How old is danielle cohn sister

Danielle Cohn's 16-year- and 10-month-old ad include Musical.ly s 6,150 days, Daniel Cohn's next birthday in two months. Born in 2004 in Florida, she began using social media such as Musical.ly, YouTube and others as a powerful platform for developing her talents and pursuing a social media star career. She has a brother who helps Daniel in most of her social activities and activities. She started In 2015 and now has more than 8 million followers. In 2017, Cohn began focusing on singing and releasing two singles. She's a good friend of another social media star, Sebastian Topete, and they plan to start a new interesting social media project together. In mid-2019, there are rumors that Danielle and her boyfriend Mickey Tua, both teenagers, are expecting a baby. The rumors are based on a photo posted by Tua on his Instagram in which he kissed Cohn's supposed baby bump. There is also a video showing a married couple preparing for parenthood, but the question is if those things can be taken seriously, both Danielle and Mickey say, all a big prank.)
