A day later, Sector Security investigates a turbo duelist named Ghost, who is attacking the Turbo Duelists, and stealing his Synchro monsters at night. Jack, Yusei and Crow, meanwhile, are preparing for an upcoming tournament, the World Racing Grand Prix (WRGP), but when Trudge suggests Jack, Crow and Yusei to help him take down the Phantom, Crow rejects Trudge's Assistance plea, in favor of working on his new engine, as he claims they have the Grand Prix to prepare, and that they have no time to spare. Instead, Crow insists that Trudge and the rest of Sector Security, being the police, go after the Phantom themselves. Trudge encounters Ghost later that night, but is defeated and seriously injured.
