Acc testing center hours south austin

COVID-19 Information: ACC campuses and facilities have been closed in an effort to prevent the spread of COVID-19. Spring online registration continues as planned. Self-Service and other ACC online services remain available 24/7. For the latest information please visit COVID-19 Information. ACC South Austin is conveniently located near the corner of Manchaca and Stassney, opposite Crockett High School. Cleverly designed and easy to navigate, the campus provides a welcoming environment for thousands of students per semester. Programs In addition to preparing students for college transfer, ACC South Austin offers Dual Credit education for high school students. Career-technical training is also available in areas such as car collision repair and visual communication. The Teacher Prep Institute is located on this campus, making it popular among future educators. Services In between lessons you can have a bite to eat in the café, study in the common area or socialize outside with friends. With free guidance services, a library, computer centers and more, ACC South Austin has everything you need to thrive. Auto Collision Repair & Refinishing Autobody training facility works in collaboration with Crockett High School. Science Labs State-of-the-art science labs help you learn in physics, chemistry, and more. Visual Communication Industry standard tools for training in many of the area's hottest jobs.
