Playing American football is a great way to pass the time and even if there aren't many games that focus on the NFL; Return Man 6 of ESPN is among the best sports games that you can find online. Even if you're not an NFL you're still going to love the game because it's easy and easy to play and keeps you involved all the time. The player is the central character of the game that needs to clear certain obstacles to move on to the next level. With multiple control options and definitive goals, it's an interesting arcade game that keeps you involved. In this game, you have to slip through the obstacles and some marked spots, while going through the yellow position in order to make a catch and touchdown. The defenders in the game try to catch you so you have to dodge them for a limited period of time. Strategic maneuvers and speed make the game interesting as players have to juggle between different controls to catch the ball and touchdown. There are some factors that will make the game more interesting like: You get to unlock more abilities as you score higher. You need to improve your speed to score more and to beat higher levels. With better abilities, you can make different moves to help you score higher. You get flash signs to help you move faster and earn bonus points. A single special ability can be used at a time, so be careful. Return Man 6 is all about control and while there are many control options available, they are easy which makes the game interesting. Most of the controls are pretty standard. You can control the movement with the 'I' key to Run Forward, 'J' key to Run Left, 'K' key to Run Backward, and 'L' key to Run Right. You can use spaces to catch the ball. You can also control the movements using the arrow keys on your keyboard. To increase speed you need to use the 'S' key. The A key is to make a jump catch and the D key is to dive forward to get the ball. There are 15 levels in the game and you have very short time to complete the challenge, which is to catch and ball, and without dropping the carry to touchdown. As you continue to move to higher levels, the difficulty level increases and defenders will not allow you to finish your move. There are no missions in the game, so basically you need to keep running in a certain pattern provided, and make sure you are not stopped by the defenders. To do this, you can use various tricks like: Catch the ball early to make a possession. Look out for the small flash icons to improve speed. Move left and right quickly for Avoid the defenders. So, start playing Return Return 6; a captivating game of football from the comforts of home!
