Remember how the Undertaker made his debut in the Bollywood movies? Gulshan Grover with the hero The Undertaker in another of Kyladionka k.killadinaí, probably does. He appeared in Akshay Kumar's 1996 film Hilladio, and he was a big, evil, evil man who brutally destroyed anyone who had the misfortune to face him in the ring. In Hiladionka Ka Hiladi, the Undertaker appears for the first time in this inaugural battle sequence, where he has to fight a wrestler named Crush, who according to the plot of the film kills and eats people. According to the film, in all his matches so far, the undertaker has not only been unbeaten in 39 matches, but has also killed all his opponents in the ring. The undertaker reappears again and again in Kiladion Kiladi and has a face with Akshay Kumar twice. In the second and last person, which is the climax of the film, Kumar defeats and kills the Gravedigger. The gravedigger in Kiladi ka Kiladi IS NOT the Gravedi, which you see on TV fighting for the WWE. The original Undertaker is a licensed WWE character who was played by wrestler Mark Callaway in 1991.Mark Callaway (L), Gravedigger (R); Mark Callaway is the man who grew up seeing and knowing as the Undertaker and he is the man who retired hours ago on Wrestlemania 33.The Take Backstage at Wrestlemania 33 after the match with Rome Raines The Undertaker in Killadin ki Killadi is a man named Brian Lee.Lee (L) with Paul BilletsBrian Lee has been a pro wrestler since 1988 and he has fought for promotions such as the US Wrestling Association and Smoky Mountain Wrestling, before he did a ring at WWF (the World Wrestling Federation, which later became the WWE World Wrestling Entertainment) in 1994.Brian Lee in a match for Smoky Mountain Wrestln WWE, he had played a self-styled version of The Undertaker. Which means Brian Lee played Funeral in WWE. Brian Lee (L) with Paul Bearer and Mark Callaway (R) According to the plot at the time, the real Undertaker was defeated in a coffin match by Yokozuna in 1994 Royal Rum. He has since disappeared from the ring. Soon, Ted Dibias introduces a new Gravedigger (Brian Lee) to WWE and persuades the Undertaker to join his Million Dollar Corporation. Brian Lee fought in several games as the Undertaker for a while before Mark Callaway returned as a real Gravedigger in the Summer of 1994 and defeated his crook. This is the official end of Brian Lee's WWE career as a Gravedigger.Till he was suddenly discovered by Bollywood and resurrected as the Gravedigger in Akshay Kumar's Coolion Ka Khiladi. If you were a kid in the '90s, you probably stunned yourself when you saw the Undertaker appear in a Bollywood movie, but it was fake. Now you know. (The author tweets as @devarsighosh.)
