## Acc testing center hours riverside

From I-35 Take Riverside Drive eastbound off I-35 or northbound off Hwy 71 near Turn North on Grove Street and follow signs The pro shop is located behind the Austin Community College Campus Covid-19 information: ACC campuses and facilities are closed in an effort to help prevent the spread of COVID-19. Spring online registration continues as expected. Self-Service and other ACC online services remain available 24/7. For the latest information, please visit covid-19 information. ACC Riverside has been around since 1984, but is one of the college's most technologically advanced campuses. It is also home to the Latin/Latin American Studies Center (El Centro, for short). El Centro strives to build a college culture and hosts regular activities that showcase Hispanic contributions to state and local history. Programs The Engineering Technology Program is based at ACC Riverside, so many students study things like renewable energy, nanoelectronics manufacturing, and robotics. In addition, the campus offers a wide range of main curriculum classes intended for university transfer. Technical-professional training is also available in welding, automotive mechanics, building construction and more. Services As a student at ACC Riverside, you'll have access to a full range of support and convenience services. There is free tutoring, consulting, consulting, a cash desk, library services and more. Production of medical devices The new degree will prepare students for technical work that assists engineers in the design and manufacture of medical devices. Applied technology Well-equipped facilities and expert instructions help students pursue careers in automotive, heating, air and refrigeration, welding and building construction. El Centro Murals Designed to inform and inspire, this mural by renowned artist Fidencio Durán traces the history of Austin's Mexican-American community.
