When Tori accidentally pours coffee on Beck's shirt, she doesn't seem to mind much. When Tori tries to rub coffee off Beck's shirt, she looks her in the eye and smiles. Beck and Tori kiss at the end of the episode. Beck calls Tori sweet as she tries to get a stain out of her shirt, but points out that she was probably making it worse. Although Beck tells Tor that rubbing the coffee stain only makes it worse, he doesn't tell her to stop and never say she has a girlfriend. When Tori walks into the room during class, Beck checks her and smiles at herself. Beck asks Jade if the dog (Tori) can sleep in her room. Beck gets mad at Jade for pouring coffee on Tori's head. Beck smiles proudly as Tori comes to class on her second day. In Alphabetical Improv, when Jade tells Tori that it's incredible that she's in Hollywood Arts, Beck defends Tori, telling Jade that it's very immature for her to say that. Tori said Beck should kiss her, she won't push her back. Actually, he seems eager. After Tori kisses Beck, she says, Man, I love this school! (Probably insinuating that he enjoyed a kiss with beck and still continued the alphabet improv isprovation exercise.) During the alphabet improvisation, when Beck falls to the ground because his character was unable to breathe earth air, Tori grabs onto his arm just before he falls. After Tori says: Man I love this school! he looks back up at Beck and then looks down and smiles excitedly. After they kiss, Beck runs his hand through his hair to a happy look and smiles as well. When Jade kisses Beck, Tori looks nasty. Beck's very nice to The Tor throughout the episode. Before Tori asks Beck to kiss her, she smiles at him. When Tori and Beck start kissing, Beck smiles widely. Bird Scene Beck asks Tor if he wants to go to lunch with her. When Sikowitz tells Tori to stay for throwing the ball at him, Beck tells Tori to protect her face (showing that she cares about her face getting hurt). If Tori is upset that her friends aren't helping her on Bird Scene, Beck cares enough to explain to her that no one can help her with Bird Scene. Beck tells Tor to decorate his own closet. Beck asks Tor if he's ready to make the bird scene his second attempt. When Tori says she got Sikowitz two coconuts, she kept them close to her chest and Beck says: They're good! When Tori angrily throws her books in a closet, Beck asks her: What are you doing? Here he points to the fact that he's been worried about Tori many times. If Tori isn't sure how to decorate her closet, Beck suggests that she does something creative and profound and, with help and creative ideas, shows Tori in her closet. Tori mentions that Beck's closet is creative and deep, though it can be faux-courtesy. When Tori asks Beck about the bird scene, he pats his head and says, Later. Beck slightly winces when Tori asks Sikowitz if he made the scene immediately after his second attempt (because he felt bad when he knew he had failed). Beck, along with everyone else, is very impressed with Tori's third and final attempt at Bird Scene. When everyone is clapping tori, Beck claps and nods to him as well. When Beck tells Tori to come to lunch with him and the others, he smiles and nods, fleeing to him in response. Stage Fighting Beck stopping Jade from hurting Tori When Beck was practicing stage fighting, Tori jumped on her back to defend Beck. not knowing they were just a stage fight. Beck isn't too upset after Tori attacked, he calmly explains to her what they did. Tori's going to feel a little bad about interrupting it. Jade asks why Tori cared so much for Beck to get hurt, and she said she figures that she suffers enough pain from dating him. This will change Jade's And when he starts yelling at Tor, Beck takes him away and apologizes to Tor. Before Jade Tori's lungs lunges, Beck seems amused by Tori's joke. Beck laughed at The Tor character's joke about bingo. After the fighting scene partners were announced when everyone was leaving, Beck looks over toRi. When Tori and Jade were called to fight, Beck looked over tori. When Tori saw Beck and Russ fight, she went to help Beck because she didn't want her to get hurt. Beck watched Jade talk to Tori after they were announced as partners, and when she said: Can't wait for our fight\*break\* scene. Beck rolls his eyes. After Beck explains to Tori that he and were on stage fighting, Beck grins at him. Jade Dumps Beck Tori was the first to ask Beck about her and Alyssa Vaughn's picture. It suggested that both of them find him attractive. When Beck called Tor to ask her a question to stop the fight, she starts asking, If you were my girlfriend... Tori grins a little, but then rolls her eyes when Jade laughs at the idea. Beck seems shocked that Tori disagrees with her fight with Jade. Although Tori is a side of Jade's argument, she concedes to Beck's idea that Jade should trust her. Beck tells Tori to stay and talk to Jade. Although Jade had to physically drag Tori back into contention, Tori voluntarily walks back when Beck asks her. Tori visited Beck's rv to get back together with Jade, but she says she doesn't want to. Beck smiled when he saw Tori visit him, treating him like a great prize and honor. When Tori asked if Beck lived in a camper van, he answered hesitantly and ran his hand through his hair as if he were worried about his reaction. Beck is very happy to have Tori over, showing off her RV to her and, as seen right, trying very hard to act cool in front of her. Beck enjoyed Tor's general boys' voice. (Specifically, he says: I like it, do more.) When Beck asked Tor if he thought he should return to Jade, he made a real fake smile and nods. (Clearly shows that he does not want them to get back together.) Although Tori hasn't been known for Beck for a very long time, she already knows it was her birthday recently. Both agree that a can of lemonade is a terrible birthday present. Given this and above, it is likely that Tori received Beck a good birthday present. If Tori and Jade think the dog is attacking Beck, Tori is very worried. Tori was more concerned about Beck being attacked by a dog than about her relationship with Jade. Beck was standing next to Tor when he and Tori started panicking to see if his father was okay. Tori and Beck hit the same window at the end, and when his father caught the eye, they both backed off and screamed at the same time, causing them to get closer. As confirmed by Slap posts, neither Beck nor his family For Tori's accident, you're fully blaming Jade. Tori Zombie Tori and Beck Tori Zombie Tori and Beck have a leading role in the school play. Their characters fell in love with each other. Tori and Beck are physical contact in this episode. When Beck said I love you in the play, he looks like he's serious. When Beck said, You're beautiful because I love you, Tori responded by saying Wow. in a dreamy and shocked way. Tori and Beck danced together and looked into each other's eyes several times throughout the show. While Beck puts Down Tori, he looks at her with a flirtatious smile. In this picture of Beck and Tori at the end of Finally Falling, you can see Beck's eyes closing and his lips kind of straightening out. When the eventual fall ends, Tori and Beck got close to kissing. (Specifically, before looking into her eyes, Tori looks at Beck's lips, perhaps implying that he wants to kiss her, or maybe that he wants her to kiss her.) Beck slowly puts Tori down after he lifts her up (maybe shows she doesn't want to let him go). After that, Beck and Tori fall into each other's eyes and smile. Tori and Beck dance in a sinjin disco dance musical, Beck's butt-bumps to Tori playfully. Beck points to Trina and Cat after he touches Tori's hand, showing him that they have a mask stripping stuff. While the playwright is repellent to Jade and Robbie's performances, he praises Tori and Beck. Robarazzi Beck and Tori (with André and Jade) watched Robarazzi. Beck talks about shrinking or growing tor pimples. After Robbie said, Are Beck and Jade breaking up? Beck looked down and smiled. Beck reached out to touch Tori's pimple. Tori slapped Beck's hand away, shouting, Don't touch it! When Jade said, Beck and I are not in Splitsville, Beck said, Well... Just when Beck said it, Tori immediately turned and looked at her. (Maybe hoping he was serious.) When Tori looks at Robarazzi, if you look at the right corner, you finally see a fall with Tori and Beck looking at each other. (Maybe he looked at it before?) When Tori saw a segment of Beck and Jade's car on Robarazzi while she was home, she closes her laptop for an irritated-looking scene. When Jade accuses Tori of what happened, Beck rolls her eyes (basically having Tori's side). Survival is the Hottest when Robbie tells them how hot it is, they both moan at the same time and moan again when Robbie tells them the heatwave continues all week. Beck laughed when Tori said: My hand looks like a warm wet ham. Beck kept laughing when you look at his face when Cat and Jade came. Tori and Beck are cute little when Beck tried to open the RV door, but failed. Beck tells Tori that her little electric fan isn't great and Tori seems offended. Beck was lying in her bed as Tori sat next to it as she lay on the ground where Beck's head was while they were waiting for the cat. When Tori discovers that the expression was Thank you, Captain Obvious and not Thank you, Catherine Obvious. Beck asks Tor: Who would be Catherine? Tori replies: Catherine can be a captain, a sad voice. Beck seems very interested in tori and Trina catfight. Tori asked Beck: What are we going to do? and he replies: I do not know. When Beck kisses Cat on the forehead after he saves them from being trapped in his RV, Tori puts his hands on his back. Tori says Beck used all her man's strength to push the RV door open. That means Tori thinks she's strong. After Tori says she needs a cold drink Beck is the first to answer myself too. Wi-Fi Sky Tori seems jealous when Jade and Beck argue and says she needs Beck to finish the script. Beck encourages Tori to continue writing the screenplay after Cat and André left. (Specifically EVIIIIILLL.) Beck helps Tori write a screenplay with Cat and André for his group project. Beck to Tori's baby. Beck and Tori are the latest in the video story. Beck isn't happy that Tori caused Cat to sign up, but doesn't seem to have tori unreasonable calling out her procrastination. Tori teases Jade about Beck's neighbor at a competition where she smiles and laughs. Tori asks Beck if Jade's at the door when she knocks. Beck's Big Break Look Where His Hand Is :) Beck invites Tori (and André) to sit with him (and Jade). When Jade and Beck are about to sit down with Tori and André, Jade asks Beck that if they could go eat somewhere else, but he said no, which means he doesn't mind sitting with Tori and/or André. Beck told Tor about landing the movie role first. Beck has a shy smile on his face when Tori gives him a congratulatory push to get the role. Beck took Tori's piccolo after he tried to celebrate him for taking on the role and putting it in his bag. Tori stands up for Beck after Melinda Murray shared her. Tori is going largely to get Beck back into her role because she was the reason she lost it, and she felt bad about it. Tori and Beck hugged for a long time, and it didn't seem that either of them wanted to let go of each other, but Jade told them and began to read. (This is the first time we've ever seen them hug.) Beck won't blame Tori after he was fired. It shows that he cares more about Tor's feeling of guilt when he's fired from the movie. Beck jokes about Tori's Crystal Waters. Tori put Hand on Beck's chest after they're told to stop hugging. Beck smiled as the tori was stabbed. Tori is very happy for Beck when she says she got the role, and even when she got fired. When Jade tells Tori and Beck to stop hugging by the time she gets to three and approaches Beck, Tori gives him an angry and jealous look. Beck also seems annoyed that the hug was interrupted. During Melinda's scene, Beck is around the table where Jade, Cat and Tori sat, and when she walked Melinda, she touches Tori's hand. Beck and Tori were the only ones fired in the film. When the two were hugging tightly at the end, Beck had his arm around Tori's waist and was slightly touching his bare skin, which could be seen when Beck and Tori turned to see who was interrupting their hug. Great Ping Pong scam Beck didn't ask for his dollar back when he entered it from a fake vending machine Tori was spying on Beck (and André) to help Tori out of a fake vending machine. Beck seems confused when Jade says Tori didn't make it to the team. Tori plays ping pong against Beck first, annoying him with his smugness in his easy victory. Beck tells Jade that Tori should know how they formed a ping pong team. Along with Cat, Beck is most eager for Tori to join them on the team. Tori stands before Beck after Sikowitz introduced him as a new member of ping pong. When Beck tells Ping Pong, he looks at Tori. Beck seems very disappointed jade doesn't tell Tori to bring a fancy dress. While Tori (and André) perform their song, Beck only once takes his eyes off Tori (when Sikowitz snuck back in). Beck didn't even blink at Jade when she wore the dress, but she doesn't seem to be able to look away from Tori. The cat's new boyfriend every time Jade made comments about Tori and Daniel to make them feel uncomfortable, Beck apologized for his behavior. Beck (and Jade) go find Tori after she sprayed hot cheese with Cat and Daniel. He and Jade both watch as he runs into the Blackbox Theater. When Jade wanted to tell Cat about Tori and Danny's past, Beck quickly said, No, you're not talking. (Protecting Tor.) When Beck finds out that Daniel was Tori's ex-boyfriend, he immediately asked what he was doing for The Hollywood Arts, instantly assuming a defensive stance for his friend's sake. Tori sits with Beck for lunch (with Cat, Danny and Jade). When Tori raised that everyone at the table was ripe except Jade, Beck looked at Jade moments before she agreed. Beck and Tori ask Daniel: What are you doing here? Tori looks at Beck when she apologizes. Beck asked Tor how Cat's brownie was. Beck watched Tori get up and walk away. Beck watched Tori leave the Blackbox Theater. Beck walks up to Tor as he exits the tent. Beck was very understanding when Tori explained why she was a cat When Tori says she doesn't usually get jealous, Beck has a longing and wistful look on her face, as if to say it would be a lovely change of pace. before eyeing Jade critically. When Robbie asks where Rex is, Beck goes to Turblow Jet, trying to hide the damaged Rex and potentially protect the tor. As soon as Tori says he's taking Rex to the hospital, Beck will be the first to say he's going to drive her there. Tori reprimands her head first at Beck, then at the door to show they should go to the hospital. Beck tells Tor that turbloew jet sucks and blows. Beck never turns on the offer, and seems quite interested in joining, but says he is currently looking for Jade. While Jade dazzles her, Beck seems not to believe Tori offered to know Jade. Tori asks Beck and Robbie if they want to give her \$3,000 for Jade's play. They're not going to do it. Wood After Trina makes Beck sniff her arm, Beck gives Tori a questionable look, and Tori says: 'I have to live with her! When Wood happens, the announcer asks if Beck is tired of the same old thing, which he then responded by shrugging his shoulders. (It may suggest that he may want to go through it.) (Runs out to do a stunt) Do I look good enough to run away? (Tori pretends to run away) (Beck Falls tori) ~~~ Tori (unnamed character): There's something you want me to say. I can feel it. Beck (unnamed character): What can a man tell his wife just minutes before the end of the world. (While Beck stops relying on the black cat and walks closer to Tori.) There's no snoodling. What?! After everything I've done?! I almost got attacked with toilet paper! Meredith is... Nice, too nice. I think I've learned something about myself. That you're ungrateful to your friend who tried to fix you with a nice girl? No, I think I like dating a girl you know is fighting back. I mean a girl with strong opinions and a big mouth. Why? Because it's not easy. It's easy to be boring. Tori: (looks upset) Okay. I get it. Who's not boring? (Tori Fixes Beck and Jade) ~~~ Jade: Hey, great song ... André. (Robbie sells Rex) ~~~ Beck: Oh hey. Oh, my God! No, no, no, no, no, no, no, no, no, wow: Wow, never heard of that girl before. I haven't decided who's on my brainpress team yet, so if you want to be, you have to. I just stood here and said hey. I am sorry. That's just everything, and I mean everyone is eavesdropping on me (Both stop talking and turn around to see Robbie clean up Tor's closet) Oh, hey! Why are you cleaning my closet? Because we're friends, and I want things to be nice. yes, just make it shine! Okay, go to class, but first, for you! Why are you giving me \$20? Because I think you're clean! And because we're super friends! I won't let you choose to be on my brainpress team. Tori: I think, but-- (looks at Beck suspiciously) I see through your little plan! What's my plan? Tori: Oh you know to play it all cool and act like you don't care about being on my Brain Squeezers team! Just with my head and make me want you involved! You know, that's really insulting...
