Rewarding but a lot of periods without work and barely any hours during the school yearProgram Facilitator (Former employee) - Hartford, CT - September 6, 2018 As I said, if you work for a few hours, you only get maybe 2 hours a week for the school year, and between the summer and school programs there is a gap of about a month without work. It good for flexible flexible work while you go to school. Was this review helpful?
