Review by: Theresa Karle 14th December 2014 Series Premiere: September 15, 1959 Producer: John C. Champion Executive Producer: Richard Lewis Musical Theme: Cyril Mockridge Final Episode: May 21, 1963 Cast: John Smith (Slim Sherman) Robert Fuller (Jess Harper) Hoagy Carmichael (Jonesy – 1959 Jr. (Andy Sherman - 1959-1961) Spring Withington (Daisy Cooper - 1961-1963) Dennis Holmes (Mike Williams - 1961-1963) Stuart Randall (Sheriff Mort Currie) Eddy Waller (Mose Shell) back in 1958 , ABC corralled top TV ratings with its Tuesday night shoot-em-ups featuring Cheyenne, The Rifleman, and The Life and Legend of Wyatt Earp. In those early days of television, where only two other networks were broadcast in America, the ratings competition was fierce. For the 1959-60 season, NBC overhauled its Tuesday evening lineup and came out as guns blazing. On September 15, 1959, NBC first screened Laramie in its 7:30 to 8:30 (Eastern) time slot. Western Revue (Universal) Studios introduced John Smith, Robert Fuller, Hoggy Carmichael and Bobby Crawford, the first jr. episode of Laramie called Stop the Stage, which introduced the Sherman brothers struggling to out-riden the Wyoming Realm in the 1870s. Slim and Andy Sherman (played by John Smith and Robert Crawford, Jr.), inherited the family farm after their parents' timely passing. War veteran Slim sees himself responsible for growing up his younger brother, repairing and rebuilding a long neglected farm, and offering 'stop-stage' for customers, staff, and horses from the Grand Central Overland Mail stage line. The third resident of Sherman-Jonsi Farm (Hoggy Carmichael) is a surrogate uncle, chef, concierge, and overall conscience. To this testosterone-laden family of domestic bliss comes Jess Harper, played to perfection rascally by Robert Fuller. A Musketeer, a gambler for a while, and across the ne'er-do-well, Jess Harper was a man whose lifestyle kept her always drifting... until he ran to shermans boys. So began a four-year, 124-episode run of one of western TV's first 'adults'. Early in the second season, Andy was sent to a St. Louis boarding school with Jonsy with Shapron, and Eddie Waller's role expanded from the scene-driver called Loose Banana. Slim and Ride the Range, a bachelor at large, during the final half of the 1960-61 season. Laramy's third season, 1961-62, features new cast members Dennis Holmes as orphan Mike Williams, and Spring Bevington played Miss Daisy Cooper, housekeeper and surrogate mother to Slim, Jess and Mike. With the addition of these two characters, Sherman's farm became more family-oriented. In 1961, Laramie also had another 'take over' of sorts - it has become one of the few shows broadcast in the color of life on NBC. During the third and fourth season, Stuart Randall, who played Sheriff Mort Currie, became a semi-regular. In the final year, 1962-63, there was no major change in the cast, but the central theme of the series moved. Where previous scripts featured Slim and Jess against the world, many were already focused on one single character while the other merely booked episodes. It became standard to see tonight with john smith played or tonight played by Robert Fuller after the opening theme and credits. Laramie's final episode, Helena Road, aired on May 21, 1963. Daisy invites Liora and her friend Phyllis Wayne to dinner at Sherman Farm. Slim leads them to a farm where he and Liora don't see eye to eye. He returns two guests to Laramie and returns to prison. There are concerns about attempts at Collier's life but they are surprised when Phyllis is used as a soldier to sneak a fake gun into a cullier intended to kill him but instead a deputy is killed. Sheriff Corey and Slim are currently facing two unidentified inmates and killers. When Kidd is thrown into prison for being drunk and somewhat disorderly, the investigator approaches the sheriff about Kidd. The sheriff suggests Slim Sherman posed as a guide but it has been decided that Slim is too known to pull it off until Jess Harper agrees to masquerade as down in her chance guide for Kidd. So it begins a journey that sees Jess slowly more as the men of the Chauctau gang join the ranks, each carrying a piece of track and each fearing the rest because the piece reveals its path to money.
