Prisoner of azkaban cast bus conductor

Harry Potter both made household names and revived careers for its main stars. However, some of the supporting members of the Harry Potter cast flew more under the radar. Here are 10 actors from the show you may have forgotten. When we think about Harry Potter, actors like Daniel Radcliffe, Rupert Grint and Emma Watson come to mind, don't they? Not to mention a large set of talented British and Irish actors who had both major and supporting roles in the series. On the other hand, while you may remember all the faces, some Harry Potter cast members may be more of a mystery, even if they are familiar outside the franchise itself. So, without further ado, here are the 10 members of the Harry Potter cast you've probably forgotten. Jamie Campbell Bower - Pictures courtesy of Warner Bros. and celebritynetworth.com Bower has the distinction of being one of the few members of the Harry Potter cast to also play their character in the prequel series, Fantastic Beasts and Where to Find Them. Bower first appeared as the young Gellert Grindelwald in Harry Potter and the Deathly Relic - Part 1 and reprised the role eight years later in Fantastic Beasts: The Crimes of Grindelwald. Arguably, Bower is better known for his roles in other franchises such as Caius in Twilight, Jace Weyland in Mortal Instruments, and King Arthur in the short-lived series Camelot. 9th Toby Jones - Dobby Toby Jones - Pictures courtesy of Warner Bros. and red carpet News TV Acclaimed actor Toby Jones, son of the late fellow actor Freddie Jones, voiced loyalty to house elf Dobby in two Harry Potter films - The Chamber of Secrets and The Deadly Hallows - Part 1. While Jones is by no means unknown, some may not be aware that he made a voice. After all, almost every other member of the Harry Potter cast was visible on screen. Jones has also appeared in projects including Tinker Tailor Soldier Spy, The Hunger Games, Sherlock and as Arnim Zola in both Captain America: The First Avenger and Captain America: The Winter Soldier for the Marvel Cinematic Universe (MCU). 8th Freddie Stroma - Cormac McLaggen Freddie Stroma - Pictures courtesy of Warner Bros. and Universal Pictures Freddie Stroma played by arrogant Gryffindor student Cormac McLaggen - Ron Weasley's opponent for both Hermione's affection and status quidditch keeper, in the last three films. As a young member of the Harry Potter cast, Stroma was relatively unknown when he first appeared, but has become more recognizable in the years since. In 2012, a year after Harry Potter, Stroma appeared as Luke, a supporting actor, in the musical comedy film Pitch Perfect. Some of Strom's other roles include the TV series Unreal, where he met his wife, Johanna Braddy. Julie Christie - Pictures courtesy of Warner Bros. and IMDB One of the more experienced members of the Harry Potter cast, actress Julie Christie appeared the third film, Prisoner of Azkaban as Madame Rosmerta, owner of three broomsticks pub in Hogsmead. This was Christie's only appearance on the show. As for her other work, Christie won an Oscar for her work in Darling (1965). In addition, she appeared in such films as Doctor Zhivago, McCabe & Mrs. Miller and Heaven Can Wait, among many others. 6th Lee Ingleby - Stan Shunpike Lee Ingleby - Pictures courtesy of Warner Bros. and medium.com Burnley-born actor Ingleby played Knight Bus conductor Stan Shunpike in prison azkaban, his only contribution to the franchise. Although Shunpike's books are described as not much older than Harry's, Ingleby was 28 in 2004 when the film was released. More recently, Ingleby has appeared in several successful TV series, including Inspector George Gently, Word, Five and Criminal: UK. He also took over as the voice of Bob the Builder from original actor Neil Morrissey. 5th Scarlett Byrne - Pansy Parkinson Scarlett Byrne - Pictures courtesy of affairspost.com and TNT Scarlett Byrne played Slytherin student Pansy Parkinson in the last three Harry Potter films, is the fifth actor to take on the role in the entire franchise. Pansy, as you may recall, was a classmate and collaborator draco Malfoy, in which she had an unrequited romantic interest. In 2014-2015, Byrne was a series regular as Lexi in TNT's post-apocalyptic drama series Falling Sky, which starred Noah Wyle. She also appeared as 'Nora Hildegard' in 12 episodes of Vampire Diaries. In 2019, Byrne married businessman Cooper Hefner, the son of Hugh Hefner. 4. Verne Troyer - Griphook Verne Troyer - Pictures courtesy of Warner Bros. and indiewire.com Which has already cultivated a large fan base through its role as 'Mini-Me' in the Austin Powers films, Troyer physically portrayed goblin Griphook in Philosopher's (or The Wizard) Stone, though fellow actor Davis Warwick provided the voice. Troyer has appeared in other films including Love Guru, Doctor Parnassus's Imaginarium and How the Grinch Stole Christmas. Troyer died in 2018 at the age of 49. 3. Robbie Jarvis - Young James Potter Robbie Jarvis - Picture courtesy of Warner Bros. and irishmirror.ie Robbie Jarvis appeared as a teen version of Harry Potter's father, James, via Pensieve flashbacks displayed in order of Phoenix. Jarvis' scenes were crucial for the franchise because it showed Harry that his father was more complex than the 'perfect' person others suggested he was. Jarvis dated one of his fellow Harry Potter cast members, Evanna Lynch (Luna Lovegood), in real life. Although they have since split up, Jarvis and Lynch co-host a podcast called Chickpeeps. 2nd Guy Henry - Pius Thicknesse Guy Henry - Pictures courtesy of Warner Bros. and BBC Guy Henry played by Imperiused for Magic, Pius Thicknesse, in fatally hallows parts 1 and 2. Thicknesse is Voldemort's puppet, under his control and appointed minister after the murder of his predecessor Rufus Scrimgeour. Henry is perhaps better known for his role as Dr Henrik Hanssen in the long-running BBC medical drama Holby City. He also appeared as Grand Moff Tarkin in Rogue One. Alfred Enoch - Pictures courtesy of Warner Bros. and metro.co.uk Enoch may seem like a special inclusion in this list, given that it has appeared in all but one of the films. However, compared to some of the more prominent Harry Potter cast members, Enoch had very little screen time or lines like Dean Thomas. Some fans of Enoch's later work may still be unaware that he played Dean Thomas. In 2014, Enoch began starring as 'Wes' in the ABC legal drama How to Get Away With Murder, opposite Viola Davis. He also starred in Sherlock, Trust Me and Troy: Fall of a City.
