## Fallout shelter cheats pc 2020

Think of Fallout Shelter as a cooler version of Two Point Hospital and The Sim. It is a very interesting game in itself and offers a very simple and attractive story. The game is set in the Fallout universe where players are tasked with building their own underground vault and taking on the role of supervisor. Apart from building all sorts of rooms like gun shops, coffee shops, Nuka Cola factory and laboratories, keeping residents happy is the main goal of the game, and to do this, you need to ensure a steady supply of electricity food and water. One of the entertaining part of fallout shelter is that you can accommodate many residents and allocate rooms to them according to their abilities. You can even give them weapons and send them to explore the wilderness. Sincerely, Fallout Shelter is addictive. It's one of the best strategy and management games we've played so far, and it offers beautiful graphics. Now if you want to maximize your stats or to get free lunchbox, StimPak, Health and more, then here are the best Fallout Shelter Cheats for PC, Android and IOS. 1. Using WeMod Fallout Trainer Shelter Provided you are looking for a reliable Fallout Shelter Cheat for PC, you should try WeMod. It is a free to use software that claims to offer the largest collection of single-player PC games to the mod. From Red Dead Redemption to Borderlands 3, there's Raft, Assassin's Creed Odyssey and more. WeMod works by automatically detecting the games installed on your PC and displaying cheats that work with it – provided there is one. For Fallout Shelter, WeMod offers over 17 cheats that include unlimited RadAway, Super Speed and more. Now is how to use it. To begin with, just go over to WeMod official website and download the program. Fire it up and go to Games. From there, you'll find and select Fallout Shelter. Now instead of installing cheats visible to you, just click the Play button in the top right corner to start the game. Now everything tab under gameplay and head back to WeMod. Enable the cheats you need and you should see them work when you access Fallout Shelter. 2. Using Rakion99 Fallout Shelter Save Editor it's pretty hard to develop in Fallout Shelter, especially when you don't have enough resources. But not free for it is a web app that can edit Fallout Shelter save games thus allowing you to heal and max out residents statistics and even change the number of lunchboxes, Starter Pack and more. It is a very convenient tool that is quite easy to use and works well too. So if you're already itching to try it out, just navigate to rakion99 Fallout Shelter Save Editor website and upload save the file. Then change different things to your liking and even unlock all rooms if you wish. When you are finished, save and download the file and replace it with One. 3. Using Pimp My Vault and FSSE Rakion99 Fallout Shelter Save Editor is probably the most reliable and perhaps the best Fallout Shelter Cheat for iOS, but if you're looking for something that works well on Android phones, you should check Pimp My Vault and Fallout Shelter Save Editor app (FSSE). Both apps where they're developed with one goal, and that's to change the asset values in fallout shelter vault. They are extremely lightweight, free of malware and offer a variety of options to change. You can check how to use Pimp My Vault and FSSE from here and try to back up the Fallout Shelter Save file before you modification. Wrapping up so these are undoubtedly the best Fallout Shelter Cheats you can use right now. They real and work pretty well even on PC, iOS and Android. Overall, you can enjoy your Fallout Shelter gameplay. {{languageTitle}} Message to the English editorial team Chinese developer GaeaMobile has launched Fallout Shelter Online, a spinoff simulation game sequel to Bethesda Softworks' Fallout series, free to play for iOS/Android.
