District 60 pueblo employment

Current Employment OpportunitiesOur greatest contribution is to make sure there is a teacher in each classroom [and one person in every environment] who cares that every student, every student, every day, learns and grows and feels like a true human being - Donald O. Clifton, Psychologist Thank you for your interest in employment with People's School District 60. We are always looking for the best and brightest to complete the best possible work, while we are shining examples for the future of our community. If you have years of teaching to your credit, we welcome you to your experience. If this is your first teaching task, we will provide the support you need for a successful first year. One of the key elements of a high-performance school system is the selection and development of teachers and leaders. One of the most important jobs we can do is fill each vacancy with people who are committed to providing excellence for students in the district. For you educators who are not the class teacher, we thank you. Whether you want to be a class assistant, a dining room worker or a custodian, we welcome your ability and desire to make Pueblo a better place. We look forward to the contribution you make to our community. This page is the first step. Completing an application could be the beginning of a journey in which its impact could have an impact for generations of people working together to bring knowledge and joy to the children we serve. Ask yourself: Do you think all students can learn? Do you believe in a teamwork approach? Are you willing to commit 100 percent to each student's success, no matter what their job is? Are you willing to help students discover their strengths and overcome their challenges? Are you persistent and unwilling to give up, even when challenges get harder? Do you want to keep learning every day? Do you see problems as opportunities? Are you willing to seek help from colleagues to benefit students? Are you willing to hold all students accountable and learn them? Are you willing to support students to be responsible for themselves and their learning? If you answer a resounding yes to each of these questions, then it can be perfect for the 60th People's School District. See below for current opportunities! Pueblo City Schools has more than 20,000 students and 1,000 teachers and instructors. The teacher and administration salary figures for Pueblo City Schools shown below are taken from several sources, as indicated below the pay tables. Note: The information provided below is for informational purposes only, for informational purposes, for please contact the school district directly.
