(No reviews yet) Write a review UPC: 9780547910383 Condition: New Method: Email Description Reviews Shipping & Returns Rewards Engaging and timely, Environmental Science is specifically designed to appeal to high school students with varied interests and learning skills. Balanced coverage of environmental issues, including ecology, Earth science, health and policy issues, is a hallmark of the program. An unprecedented interactive online edition of this environmental science textbook offers access to a wide range of printed and digital content, including the largest laboratory program available. It offers all the student edition, audio in MP3 format, activities worksheets for students, conceptual maps and other resources, including online assessment. OPTIONS AVAILABLE: AVAILABLE: STUDENT EDITION - Includes the edition of the student Only HOMESCHOOL EDITION - includes the edition of the student and the edition of the teacher ONLINE ACCESS: Access to online editions is provided through a code that you will receive by email from the publisher to the email address you provide us with the order. Online access is good for a year. After a year, renewals can be purchased directly from the publisher. Please allow 1-5 working days to receive the email with your code. FREE LAND SHIPPING ON ALL PURCHASES FOR \$49 OR MORE! Most items are shipped within 1-3 business days. Shipping is available for all 50 states. Products are shipped either UPS Ground or USPS Media Mail. Each product sets how an item is submitted. For orders under \$49, there is a flat shipping fee of only \$4.95. Return policy You can return most new and unopened items within 30 days of delivery of a refund. We will also pay the return shipping costs if the return is a result of our error (you have received an incorrect or defective item, etc.). A \$4.95 fee will be deducted for orders receiving free shipping. ELECTRONIC MEDIA (CD, DVD, CASSETTES, CD-ROMS, VIDEOS, EBOOKS, COMPUTER SOFTWARE AND PRODUCTS WITH INTERNET COMPONENT) CANNOT BE RETURNED OR REFUNDED. A replacement fee of up to 20% can be deducted for returned items open (not in original retractable wrapping). RETURNS THAT ARE NOT PRE-APPROVED WILL NOT BE REFUNDED. If you need to return an item, just sign in to your account, check your order using the Full Orders link below the My Account menu and click the Return Items button. We will notify you by email of the refund once we receive and process the returned item. You should expect to receive your refund within 1-2 weeks of giving your package to the return charger, however, in many cases you will receive a refund more quickly. This period of time includes the transit time because we receive your return from the charger (from 5 to 10 business days), the time it takes to process your return once we receive it (from 2 to 3 business days), and the time it takes for your bank to process our refund request (from 3 to 10 business days). Customers who created accounts are automatically registered with our Customer Loyalty Program. If you haven't created an account, you can join the Program by creating an account after the first completion of the purchase. Earn 1 point for every \$1 spent in our store after you have signed up for our program. 50 points for each review you submit for purchased items. 10 rewards per person per month Apply This is an easy way to earn up to \$25 in rewards each month! 100 points for each new customer who submits an order. \$5 off your first order! Like us on Facebook: easy 20 points! Share us on Facebook: another easy 20 points! It's fast! It's easy! It's FREE! HOW DO I EARN POINTS? Shopping: You will earn 1 point for every \$1 spent on our after having enrolled in our Program. Product Reviews: Get 50 points for each review you submit for purchased items. 10 rewards are applied per person per month. References: Check customers and you'll receive 100 points for each new customer who sends an order. \$5 off your first order! Like us on Facebook: Get an easy 20 points when you like our page on Facebook. Share us on Facebook: Get 20 points when you share our store on Facebook. This is a year-long online renewal code for holt McDougal's online subscription component Environmental Science Homeschool Package. Please note that purchasing this article provides online access only to web-based components of this course and is not a full course without the homeschool package. Please note that if this is the only item you are buying at this time, you will not receive physical paperwork; you will receive an email directly from Houghton Mifflin Harcourt (hmhco.com) 3-5 business days after purchase with instructions on how to access the course material online. If you are buying this item with other physical and non-digital items, you will receive paperwork with your order with instructions on how to access the course. One-year access begins immediately after receiving the code. 1 year of the complete program of Environmental Sciences online. Category Description for INTEGRAL SCIENCE PROGRAMS: The elements listed in this section tend to be complete science programs with a teacher and student component, requiring few supplements in addition to scientific supplies. Start typing your question and we will check if it has already been done and answered. More information Do not include HTML, links, references to other stores, prices or contact information. My question is about: If your question is about more than one item, click + to add them. Does online renewal have other premium materials such as testing, questionnaires, worksheets, labs and videos? BEST ANSWER: Online renewal has all the same digital content as the online component of the homeschool package. These online editions include interactive copies of student and teacher editions, worksheets, laboratories, assessments and various tools and videos. BEST ANSWER: Online renewal has all the same digital content as the online component of the homeschool package. These online editions include interactive copies of student and teacher editions, worksheets, laboratories, assessments and various tools and videos. Vote for the best response above! Does this renewal work with previous editions of the text? BEST ANSWER: No, and Yes. The renewal is aimed at a specific edition of the text. However, theoretically the renewal of can be done without any text, as there is a digital version of both the student and the teacher book available with online information. Therefore, you can get the renewal and use the old text as a companion add-on. We don't have any on how similar editions are to each other. BEST ANSWER: No, and Yes. The renewal is aimed at a specific edition of the text. However, theoretically the renewal can be done without any text, since there is a digital version of both the student and the teacher's book available with the information online. Therefore, you can get the renewal and use the old text as a companion add-on. We don't have any information on how similar editions are to each other. Vote for the best response above! Does this online access renewal have a copy of the student's text online because they shouldn't buy a hard copy of the student's text? BEST ANSWER: Yes, online access includes an ebook of the student's text. However, the format of the pages on the screen is quite small; it is easier to read the text if you have a printout of the textbook.
