К сожалению для поклонников жанра уже давно разработчики не радовали нас достаточно качественными проектами. А то что касается мобильных платформ, то тут ситуация с RTS вообще печальна. Но все же столь популярный некогда жанр просто не мог бесследно исчезнуть и порой разработчики все же радуют нас небольшими шедеврами. War Commander: Rogue Assault - классическая стратегия в реальном времени с элементами пошаговой стратегии, с превосходной графикой и так Mechanics. And the military environment chosen by the developers certainly pleases, the usual units, buildings and military equipment will please all fans of RTS. War Commander: Rogue Assault is a fun military game in the genre of mass multiplayer strategy with full 3D graphics. Dynamic and exciting battles. You've never seen anything like it on mobile devices. Do you think this is for you? Destroy and destroy! Telegram channel from the creator of Treshbox on the technology Features of the game War Commander: Quick to adapt to the environment, Driving troops directly on the battlefield Lead continuous battles thanks to the immediate construction and restoration of units Pass epic single campaigns and destroy enemy armies stand in the way to world domination Best Telegram channel pro technology (possibly) Games of the day Impostor 3D Meteors Attack Hyper Coaster Hyper Mech vs Aliens Note Me Calendars But shamelessly, League of Legends clone Clash of Clans characters face off in epic duels Escape the terrifying teacher! Lords Mobile: Build an empire to destroy your enemies Fight a stick-figure war Fascinating combat strategy in the world of armies, tanks and warships, War Commander: Rogue Assault gives a stunning combat experience in 3D environment. Command a personal army in real time and defeat your enemies by choosing the right strategy of attack in this RTS over tank war. This real-time strategy with a multiplayer PVP component on the open world will put you in the face of the need to form iron alliances. Rocket launches, commando tank battles and besiege enemy areas to win the world war going on in real time. As a rogue war commander, you must separate and defeat your enemies and become a legend of war with the help of the Air Force. Being one of the few surviving commanders in World War III, you must defend your base, form units and attack enemies in the name of survival. Become the best warrior in this military online strategy, fighting for control of the world, including nuclear bombs. Rogue Assault is the most realistic real-time military strategy with armored vehicles, missile attacks and aerial combat. Instantly piloting your tanks, helicopters and infantry, you make your way through hordes of enemies and become a master of combat tactics. Ships, armies, soldiers) in battle- Direct access to arrows, machine gunners and tanks, raise your level to gain access to new strong units and increase the military strength of building an empire. Discover new defensive systems, explore modern weapons for your Air Force, and destroy enemies that stand in your way. Attacking an enemy has never been more enjoyable than in this military PVP game. As a rogue war commander, you must defend yourself or attack in epic world war battles. Fight for supremacy in tank PVP wars and show your modern style of warfare to reach heights in this strategy in real time. Or play aggressively and deploy your army to attack to take what is rightfully yours. Exceptionally versatile and diverse, they are great for attack or defense. Choosing the right aircraft can provide a strategic advantage over ground units that cannot fire at that altitude. The enormous firepower and safety of these units make them mandatory in case of possible burglaries. Don't bother. With instant construction, you are ready to take a dip in the heat of battle in real time. Or seek advice from allied commanders in a global chat. Accession alliances are better adapted to this war-torn world.
