Mount olive appleton calendar

Although spring may seem a long way away, our seniors are currently making plans for their futures and reflecting on their time at FVL. We ode much to our seniors, for the way they conduct themselves as leaders and representatives of their school and their Savior. We will work with a few faces from the class of 2020 in the weeks leading up to graduation. Join us in wishing the seniors God's blessings on their future efforts! Emmalee plans to attend Martin Luther College next year to study Elementary and Spanish Education. The relationships with her friends, faculty and staff are what she will miss most when she moves on next year. Favorite Bible passage Therefore, my dear brothers and sisters stand strong. Let nothing move you. Always give yourself fully to the work of the Lord, for you know that your labors in the Lord are not in vain. - 1 Corinthians 15:58 Best Memory of FVL For dress like a teacher's day in my junior year, I dressed as Mr. Trump.' We matched Harley Davidson shirts, giant Harley belt buckles, and we even had twins with his watch and pink bracelet. Teacher/Coach who made an impact The Hispanic teachers, Mrs. Bixby, Mr. Degner, and Miss Stern, showed me the beauty of the Spanish language and the culture that flows from areas where the language is born. Interest/Talent/Passion people may not know I love tea, and my mom has a whole drawer in her classroom full of tea. God's blessings, Emmalee! #FutureFriday Are you a parent or student at this school?
