Grand Theft Auto III (also abbreviated GTA 3) is an action and adventure video game that is the first major entry in the Grand Theft Auto series since GTA 2. It is developed by DMA Design and published by Rockstar Games. The game is played from a third-person point of view and its world is navigable on foot or by vehicle. Gameplay GTA 3 is an action and adventure game played from a third-person perspective. Players must complete various missions with a specific objective. Players can also play multiple active missions at the same time. Some missions require players to wait for other instructions or events to end. The Grand Theft Auto III Game allows its players to move freely in the open world of the game and also complete optional side quests to gain additional benefits. Players can run, jump or use vehicles while they want to navigate the game world. Follow The plot of Grand Theft Auto III is separate from that of its predecessors. His narration follows the events of Claude's life, a silent criminal betrayed by his girlfriend Catalina during a bank robbery. Claude begins working for several factions in the city to get revenge on his girlfriend for betraying him and letting him die. In this, he was quickly involved in a world of gangs, crime and corruption. Liberty City takes place in the fictional crime-filled city called Liberty City, based in New York and other American cities. There are several neighborhoods and three islands in Liberty City. The islands are. Portland: this is the first area where the player begins to interact in the game. There are docks, the red light district, warehouses, factories, markets, garages and some useful suppliers present on the island. The region is largely composed of period car workers, Leones, Triads and Diablos. Players will also find prostitutes, pimps, workers, dockworkers, politicians and scum in general. Staunton Island: This is the second precinct to be unlocked as the game progresses. It is the central business district where all the big business takes place in Liberty City and is dominated by the rich, and businesses. The resident gangs are the Yakuza, the Yardies and the Colombian Cartel. Shoreside Vale: This is the suburban area of Liberty City where the end takes place Game. Composed of many of the wealthiest gangsters in Liberty City's Southside Hoods and the Colombian cartel, the Liberty City suburban belt is a mosaic of swimming pools, fences, courts, basketball nets, street gangs and five-car garages. Features of Grand Theft Auto III The game has amazing graphics with updated graphics, characters and vehicle models. It offers HD-quality resolution. The gameplay of grand Theft Auto 3 is optimized for touchscreen devices. Players can customize the controls on the mobile platform. Support for the game controller for some USB controllers. The game is integrated with Immersion Haptic Vibration Feedback. Access new video viewing settings and customize your viewing experience with support across multiple languages, including English, French, Italian, German, Spanish and Japanese, etc. Page 2 Years have passed since the first version of the famous Grand Theft Auto 3, the first of the world-renowned series that introduced players to immersive 3D open-world gameplay rather than the traditional top-down perspective. With in-depth gameplay and eye-catching stories, it is still considered one of the best GTA games to date. Find yourself living the ultimate life of a wild and cheerful gangster in GTA 3, where anything is possible. Travel to the big city, perform all kinds of dirty activities as you realize your goal of getting revenge on those who had abandoned you. Soon you will find yourself completely hooked into the dark and ruthless underworld of criminals in Liberty City.Learn more about this awesome rockstar games game with our reviews. StoryThe game starts with players who are involved in a bank robbery. After knocking out the guards and raising the money, you and your accomplices try to escape the scene as quickly as possible. However, as you prepare to get into the car, you have suddenly been betrayed by your most trustworthy friend. He knocked you out and quickly freed himself, leaving you lying in the street. Soon after, you were convicted and sent to prison. Fortunately, the convoy was ambushed by the Colombian cartel on its way to its next destination. Their target was an old gentleman from the East, but you and your inmates managed to free you anyway. Now, with yourself free again, your only goal is to take revenge on those who have betrayed you. To do this, you will have to reach the criminal cities of Liberty. Take the crowds' missions, avoid the cops, and take on the gangs that want you dead. Dive into this criminal life in Grand Theft Auto you'll find all the interesting features that the game has to offer: Discover an in-depth scenario with event events with every little part of this fantastic GTA 3 story. Discover captivating events, cunning schemes and ruthless criminal activities in the city of freedom. Challenge yourself with a variety of different missions that will introduce you to all aspects of life in Liberty City. Find out how many people are willing to take risks to achieve their personal ambitions and passions. Discover a detailed storyline you rarely see on other mobile games. With a rich story and extensive gameplay, Grand Theft Auto 3 introduces players to a variety of different ways to interact with it. Each of them will have a certain role in the entire Liberty City painting. Find yourself interacting with them and live unique stories related to certain characters. Make friends and defeat your enemies in the city of freedom as you slowly establish your power and reputation in this vast city. Defeat the city's most powerful crowds and, of course, take care of those deluded mice that abandoned you. GTA 3 is the first game in the franchise that introduces players to a fully 3D open world where players can find themselves involved in all kinds of criminal activity. Drug trafficking, street racing, shooting down local gangs or even confrontation with the police. With countless hours of fun gameplay, players can find themselves traveling to multiple locations in Liberty City as they experience unique gameplay. Collect several activities in the game that are not all related to criminals. The game features a number of different vehicles, available in different styles and features. That said, you can easily find yourself stealing regular cars and motorcycles from the streets. Increase speed on the streets and lose policies as they try to sue you. In addition, there are also many different places in town where you can take your car or bike for epic stunts. Perform incredible skills, save them, and earn a certain amount of money too. As if that wasn't enough, GTA 3 players can also collect incredible military vehicles, such as police cars, S.W.A.T vans, helicopters, or even a tank. Take your deadly warship for a ride through the streets of Liberty City and cause the terror as you go. And since you're going to be the criminal leader, it's also reasonable that you have to dress like one. That said, in GTA 3, players will have access to several clothing stores with all kinds of cool costumes and accessories. Dress like a psychopath if you want and enjoy demolishing the city on your way. Help you with your fury, the game introduces its huge arsenal that features all kinds of different weapons that you might find. Collect a rifle or assault rifle for you to shoot down enemies at point-blank range. carrying. Equipped with a powerful sniper rifle and easily complete your killer mission. And if you want, you can also use epic role-playing games and shoot down everything you encounter, whether it's a tank or a helicopter. Good news for android users is that the game will come with full touchscreen devices. So you'll have no problem enjoying this port on your Android phone. Optimized touch controls will allow you to experience smooth and satisfying gameplay like never before. Not to mention that with custom controls, Grand Theft Auto 3 players can fully adjust touch controls to their preferences. And even if you think the touch controls aren't very interesting, there's also another option, which allows players to enjoy this amazing game on their external gamepad. In addition, the game also includes fantastic haptic immersion vibration feedback for more enjoyable experiences. GTA 3 players can finally enjoy their favorite mobile game in their favorite languages with the multilingual support of Rockstar Games. Find your favorite game in English, French, German, Japanese, Spanish, and so on. Don't miss any events in this game. The game is currently available as a paid Google Play Store game. However, you can easily have it installed on your mobile devices without having to pay anything with our mod. Just download the GTA 3 Mod APK above our website to start having fun. And if you find the game a bit difficult or some missions are too difficult to overcome, you can easily access unlimited money and invincibility with our mod. Don't hesitate to do whatever you want in Grand Theft Auto 3 without facing the consequences. The game offers well-finished graphics and up-to-date visual experiences compared to the original game. You will find that all the characters and vehicles in the game have been completely redesigned to look even more beautiful. Plus, you'll also have access to exciting high-resolution gameplay that wasn't available with the original GTA 3. Enjoy epic action in a whole new level of immersion with this game. And most importantly, with adjustable visual settings, players can feel free to customize their visual experiences in the game. This allows those who have low-end phones to have fun with their not-so-powerful hardware. On the other hand, it allows users of high-end smartphones to experience the most engaging and satisfying gameplay. Engage in the endless actions of GTA 3. Enjoy immersive environments with accurate and realistic sound effects that in this city of sin. In addition, the endless songs of your radio they will definitely take you back to the good old days of the 2000s.APK install it on your device, not open the app. Extract the OBB file at /SDCARD/Android/obb/com.rockstar.gta3. Make sure the OBB file (main.156.com.activation.callfduty.shooter.obb) is located in the folder com.rockstar.gta3.Start the game again. Enjoy! The game is definitely a great gateway to the legendary GTA 3. Plus, optimized graphics and controls will ensure your fun experiences in the game. Not to mention that it's completely free. So we don't see why you shouldn't try it. To try.
