January 15, 2021 Version 1.0.68 Challengers button ALL Match Setups-Book Wrestlers directly from the Contender screen-Remove wrestler from slots Show Setup-Skip to Segment Results during animation UI enhancements -Various bug fixes Such a game , makes me keep faith in professional wrestling.... This game is too funny to @. I love this game I only have 1 suggestion maybe to make tag teams with more than 2 members like factions like a 4 hour man in the real world but monetization and timers ruin it. Give me the game for a one-time fee and offer paid boosters if you really are. It's a real shame.
