Feel free to attach the image to your Pinterest board: Pin me This symbol is a neo-druid symbol whose invention is attributed to an 18th-century Welsh poet named Iolo Morgannwg. The word Awen, which means inspiration or essence in the Celtic language, is much older and was first recorded in the 8th century book Historia Brittonum which is believed to be written by the Welsh monk Nennius, although there is some disagreement about the authorship of the book. Nennius alphabet Et Nennius is famous for his contribution to the development of Arthurian legend. He is also said to have created an alphabet, not unlike Ogham or Runes, after a Saxon scholar ridiculed the British for not having his own method of writing. One of the Nennian letters looks very similar to this Awen symbol and could possibly be the inspiration for it. The Awen symbol also appears in Charlotte Guest's Mabinogion, a translation of ancient Welsh stories and folklore about Arthur. Balance between male and female energy The three rays are said to represent the harmony of opposites in the universe. For example, the two external rays representing male and female energy and the central beam balance between them. It also represents the three domains of earth, sky, and sea; mind, body and spirit. On the whole, Awen is considered a symbol of inspiration and divine illumination for poets, writers, artists and creators. Many contemporary Druid groups have translated its meaning into flowing spirit and it is a popular symbol of tattoos, jewelry and neo-pagan artwork. The wonderfully ornate illustrations and calligraphy in The Book of Kells has inspired artists for centuries and is still very influential today. It is now possible to have your name written in the style of the Book of Kells with ornate first letters and calligraphy that are direct copies of work created by the monks more than a thousand years ago.
