By using an Aria of Valar (1-105) or Aria of Valar Upgrade (currently 3,495 lotro points). Valar's Blessing, but don't provide the same feature points – more later on that). When insta-leveling at 105 you do miss out on some key elements of the game; and Aria of Valar is not going to achieve this) Missing from content under 105 (assuming you do not go back to complete it - NOTE: there is some content that you can not go back and do if you use the Aria of Valar) Unlock cases n / skirmishes (can be completed later) Feature Points (missing 13) - more about it later Virtues (missing 8 per) - more about it later Open the package You need to double click on the package to get all the goodies (Note : you need package space). Valar Aria (skills) will take you to level 105 when you click. The next step is to open the armor and weapons packages. This will give you Hero's Gear which will be sufficient to boot in Mordor, but will be replaced as the shadow of Mordor increases (. You must then open (click) all features (e.g. Mounted Combat) or skills (e.g. Riding Skills). The rest of the stuff in Valar's Aria Package can be used as needed (e.g. XP volumes, maps, food, etc.). Getting Your Aria Toon Battle Ready Legendary weapon and class items must be created and will be with you for the rest of your lotro days. Some basic information about equipment for Mordor (. Get 3 boxes that you can open for Third Age > Third Age > Third Age > Second Age > Third Age If you choose to use old age things to keep in mind: The base stats (passively) for your weapon/item can never be improved. Some class items may have borderline passive elements that you could ignore. It will take many more Anfalas Star-lit Crystals to flatten your heritage base in an old age from the first age (from 2nd age to 1st age is 2 more) It is highly recommended to search for blished Symbols of the Elder King (available at auction house, commercial channels, loot drops [epic battles, cases], or from master of battle lore (pelennor rewards sellers) (Pelennor Rewards Vendor))) and build a weapon of first age and first age and first age and first age (pelennor rewards sellers) (Pelennor rewards sellers) (Pelennor Rewards Vendor))) and build a weapon of first age and first age and first age (pelennor rewards sellers) (Pe Quartermasters. As mentioned earlier, you can't change the base stats (passively) for your LI to make sure you have what you want before leveling up etc. Please see my guide to impregnation to help you with the process: Dadi's Guide to Imbulaement. You'll need 1 Anfalas Crystal of Memory, 1 Anfalas Scroll of Delving and LOTS of Anfalas Scrolls of Empowerment (AoE), IXP Runes, and Anfalas Star-lit Crystals per legendary weapon/element in order to get it to the maximum level (cap legacies in tier 69 from U22). All of this falls as spoils in cases (level 115 has the best chance), big battles, and sometimes from landscape mobs. If you've got your Aria Valar package through the Mordor Ultimate Fan Bundle [\$129.99US through the store] (_Mordor_Expansion) it comes with a box (heirloom package) that when opened will give you 1 rune, 1 jewel, and 1 relic. These are purple (and not as good as the teal incomparable), but they are good. You can get new arrangements, relics, and runes from Gorogoth Steel-bound lootboxes, new cases/raid (The Court of Seregost, The Dungeons of Naerband, and the Abyss of Mordath), and from exchanges in cities across Mordor. Legendary titles Make sure you've added titles to your LI (Note: there are specific titles for weapons and objects and they're not interchangeable). You can obtain the titles from the Master of Battle Lore titles (Pelennor Rewards Vendor)), Quickbeam and Quartermaster (Dol Amroth). . Category III titles are currently the best (from U22 titles). Use the statistics section below to determine what is the best title to use. Point Feature – Getting to the maximum When you use the Aria of Valar you will have 53 feature points (assuming you started by importing) and missing some feature points (current max is 88 from U22). Feature points (current max is 88 from U22). Feature points (current max is 88 from U22). Tome - Gondor Searches. Note: these were added by U21.2 (if you've used your Aria Valar before that you can still obtain these. Class Deed Tome - Rohan Quests if you use this volume) The road to Dunharrow All roads lead back to Aldburg in Helm's Deep Volume Act - Gondor Searches (4 points): This will complete the following (Note: you can't go back and play this quests, if you are using this volume); Ashes and Stars: Chapter 4 A ruthless end sons of the Faltharan usurper controversy how should I spend my points? There are many possible combinations of how your points are spent. I highly recommend using feature of The Bearded Ministrel community design build section (give you some ideas. What's missing (13 points)? Note: In this way you can also get a decent amount of lotro points. 3 points from leveling at 115 (level 108, 111, and 114) 1 point to complete your legendary act (many of the items required can be exchanged for the Skirmish Camps – Curious Seller; I recommend getting it all in your spare to minimize travel) - Estimated completion time: 2 hours. Talk to Garvir in Lingir (80.6S, 44.9W) to start the Defence Rally. you are now in the blood search line for blood. He's giving up three missions. Rallying a defense, chasing the frightened, and searching for Erchar. 1 spot on the Broadacres betrayed search bar (Broadacres in West Rohan): This is a very confusing to start with, as wiki is incomplete. Estimated completion time: 3-4 hours Unlocked making Volume III Book 11 Chapter 10. Epic (Chapter 1) starts at The Cave of Nona (Wildermore 31.9S, 68.3W) and then travels to Entwade (use the Snowburn map you took with the Aria package to travel and then drive there). NOTE: In Chapter 9 you need to kill the NPCs that give birth when you click on the items. Since you're 105-115 don't attack. NOTE: Due to the gradual conditions, to continue the Broadacres story, you must have completed Epic Volume III, Book 12, Chapter 8. Be sure to complete this !!! Once you have completed Vol III Bk 11 Ch 10 you should talk to a Westemnet Detector (one at Edoras at 60.6S, 74.2W). which awards to Broadacres, and then to Hulac out Stoke (49.8S, 69.9W) to start securing Stoke; you are now in the search bar for Broadacres betrayed. Full for Broadacres, Securing Stoke, Serving the Subpoena Part 1; then there is a bunch of searches in the area that when completed will eventually get serving the Subpoena Part 1; then there is a bunch of searches in the area that when completed will eventually get serving the Subpoena Part 1; then there is a bunch of searches in the area that when completed will eventually get serving the Subpoena Part 1; then there is a bunch of searches in the area that when completed will eventually get serving the Subpoena Part 1; then there is a bunch of searches there which then unlock the acres of a flame and get you back on track... 1 spot for Woodhurst has dropped search line (Stonedeans in West Rohan). Estimated completion time: 3-3.5 hours. Do The Broadacres Betrayed before that as it follows the story better and unlocking it will be there. 1 point for Volume IV Book 2 Chapter 9 - Even in the Dark (Epic in Pelagir). Estimated completion time: 3 hours. Unlocked by completing Volume IV Book 1 (auto-granted in your search log). It starts with Eowyn in Dunharrow. Estimated completion time: 2 hours. 1 point for Volume IV Book 4 Chapter 10 - The Defense of Mena Tirith) Start with Volume IV Book 4 Chapter 1 (auto-granted in your search log). 1 point for Volume IV Book 4 Chapter 1 (auto-granted in your search log). IV Book 8 Chapter 7 - Mordor Triumphant (Epic in Waste) 1 point for Volume IV Book 9 Chapter 5 - The Next Adventure (Epic The Wastes) 1 points per virtue from u22) Virtues increase your stats and should be maximized. Some information here about what are the virtues? (Note: the values in the table are out of There are two ways to get virtues; Stat Caps (from U22) Priorities: All Mitigation categories should be as close to the ceiling as you can for the content you are running (T1 vs. older T2C vs. current T2C). The light classes will have an easier time of that than heavy. Get it as close as you can without suffering elsewhere. Vitality must be used to boost morale. DPS Finesse Classes are important; Shoot for about 20% up your Crit. At current speed it is unlikely to cap it without suffering elsewhere and crit follows a declining performance model; (I believe the number to shoot for is 50,000-55,000). Get your mastery up to your Tank Classes PPE Cap (13%) Balance your partial BPE with vitality and both are important You will need Finesse (about 15%) Welcome some Incoming Healing (or get it through Vitality Ignore slotting Outgoing Healing spirits, as it does very little overall compared to other stuff options (and most new tools come with outgoings already on it).
