Pokemon go max storage 2019

Pokemon Go, bag space and Pokemon storage are limited. First of all, what are the starting limits? More importantly, there are upgrades to 50 Bag Space and 50 Pokemon. How many of these updates are they available for purchase? What are the resulting limits for all purchased updates? Pokémon Storage has officially increased in Pokémon GO. Niantic now allows players of the hugely popular mobile game to hold up to 3,500 Pokémon. If you want to get more storage, you can buy additional storage updates in the in-game store. This number is more than enough for any type of player! Listen up, coach. The limit for Pokémon storage has now been extended to 3,500. Source: @PokemonGoApp View Source Comments Share Shop is one of the main game items that allows players to buy items and PokéCoins. Shop: In Map view button is the Home menu button. Tap the Workshop button. Items Below is a list and prices of items currently available for purchase. Updates There are currently two types of permanent updates that can be purchased in the store. These are: Bag Upgrade and Pokémon Storage Upgrade. Both works pretty similarly. Bag Upgrade Store item icon Bag Upgrade is a buyable item that increases the Trainer's maximum items bag size to 50. The Bag Upgrade can be purchased at the store for 200. The update gives players 50 additional storage locations for each item. Players can repeat this action to gain additional storage space until they reach the maximum inventory size of 3,000. In-game description: Increases the maximum number of items you carry to 50. Pokémon Storage Upgrade Pokémon Storage Upgrade Pokémon Storage Upgrade is a tool available for purchase that increases trainer's maximum Pokémon storage capacity. You can buy in the store 200. Purchased several times, it increases storage capacity by 50 Pokémon to a maximum of 4,000. In-game description: Increases the maximum number of Pokémon you can carry 50. Team Replacement Team Medallion The Team Medallion available purchased for 1000. The item allows the Trainer to switch teams, but can't change for another year. [1] In-game description: A unique coin that allows the Trainer to change teams. It can only be purchased once every 365 days in the store. Special offers and promotions Main article: List of special offers and promotions in the store We offered a number of special offers and promotions in the item store, where the game is first called holiday boxes special offer on the morning of December 25, 2016 as part of the Holiday event. When major promotions are available in the Shop, there is a red circle around the Shop Button icon and red text in the SHOP main menu of the game. Also during the Holiday event, while the Shop had Holiday special offers the button had a gift icon instead Bag. Promo codes promo codes field at the bottom of the Shop page is a section of promo codes where players can enter promotional codes to certain items. You can obtain these codes during special events from game publishers via social media and Niantic emails if there is longer inactivity in the game. Promo codes can also be redeemed through the website. PokéCoins The PokéCoin PokéCoins in-game currency is used to purchase items from the Shop. These can be obtained in two ways to protect a gym or by purchasing them in real currency. The coins are gold and contain an image from a Pikachu profile page. Defender Bonus See: Gym → Defender Bonus Defender Bonus allows you to play to collect up to 50 free PokéCoins a day by keeping Pokémon in your gyms. The longer Pokémon stay in the gym, the more PokéCoins will be highlighted. Every 10 minutes, Pokémon occupies the gym, 1 is added to the trainers' potential protective bonus, which the Trainer receives as soon as Pokémon returns from the gym. Daily Research See Research Tasks → Daily Research is a second method of acquiring PokéCoins in the game. It is currently in the development phase and is being tested in a number of countries. If this feature is available, trainers can access only 30 free PokéCoins with a Defender Bonus and 20 if Trainer completes all daily research tasks. Micro transactions with PokéCoins and several in-game exclusive items and item pack boxes can be purchased in real currency.
