Need More Inspirational Feature Images from Pinterest Looking For The Meaning of Happy Face Tattoo? Instagram / @noahcyrus; PRPhotos.com Richard Hale are tattoo enthusiasts studying and researching symbolic tattoos, meanings, and history. Tattoo drama masks, often referred to as laughing tattoos now, cry later. Amber Rudd via Flickr CommonsKetawa Now, Crying Later TattoosKetawa now, crying then tattooed depicting two faces or two masks that have an expression that represents against or emotionally different. This design is sometimes associated with gangs and is referred to as gang tattoos. Although it may be true, the design can also represent more. The term laughs now, crying then made famous by rapper Ice Cube, but her design was much older than her. You might also call it a drama mask, or a comedy mask and a tragedy. Sock and Buskin, or just a theatrical mask, because you often see them pictured in old cinemas. They may be quite old, in fact: The tragic face might be a muse melpomene, and the happy might represent Thalia's muse from Greek mythology. Laughing now, crying then tattoos might represent a good and bad association, but they have different interpretations and interests. For example, one can choose one of these tattoos to represent mental illness, while others may use it to represent their theatrical experience. You never know until you ask. Is it a Negative Symbol? It may be a good and bad symbol on someone. We all make mistakes, and nobody is perfect. We sometimes choose the wrong path, and situations may occur that affect us for the rest of our lives. Many people do not want to be reminded of a bad time, but it takes learning from this mistake to grow as a person. This tattoo can be a reminder of the hardships you have overrun in your life, among many other things. On the other hand, it may represent a good or positive situation. Examples of tattoos of arms laugh now, crying later. Tattoo DesignsThere Mask Drama is a variety of ways to design this tattoo. Here are some things to think about:Drama masks, or images of laughter now, cry later, can also be called smiling now, crying later, because this is what both often do that. You can choose other seemingly opposite emotions, though: angry and calm, for example, or the faces of the devil and the sacred people. You may include symbolic words or phrases or names to help add or add to importance. Mostly, you'll see two masks or two faces: one face laughs, and the other is designed with frown and and tears. You might add a third face and emotion. You usually see this in black and gray, but any color can work. This design translates well in cartoon and realistic style. You can do it in old school, watercolor, or any other style, too. You can change the text you include with the mask. Laughing Now, Crying Later Tattoo MeaningsThe tattoo mask drama can symbolize both positive and negative properties. For example: The Life Hardship Truth Of Life's Love Achievement Overcoming Life Loss Barriers Means The Strength of Hope Remember though, in the end, your tattoo represents what you want. This version of the tattoo has a laughing mask and real people are crying. A.T Tattoo via Flickr CommonsAnother is a black and grey tattooed version. Before You TattooBefore you get your tattoo, there are a few things you should consider. Just like you are now, make sure you take the time to research your tattoos. Make sure you fully understand what it represents and stands. You don't want to get inked and find out later that it symbolizes something different from what you thought first. Browse hundreds of designs—even better. Remember, you plan to wear this for the rest of your life. Make sure you take the time to find a design that you definitely love. You don't want to go through the laser closing and removal process, trust me. The face cries very expressive in this tattoo. Masks face forward here.CommentsSmash on February 13, 2016:May wishes to advertise that this is also a gang-related tattoo in many popular prison cases and tattoos. Richard Ricky Hale (writer) from West Virginia on August 25, 2013:Genna, thanks very much for pleasing his time to prevent and comment. I love tattoo art and appreciate it too. Some tattoo artists can become professional artists, no questions about it. Even laughing now crying then tattoos, it's quite amazing what they're capable of doing. Thanks again Genna and see you soon. EastEr Genna from Massachusetts, USA on August 25, 2013:I am always impressed by the diverse style and design of tattoo body art. It's really quite amazing, so does this hub. Very interesting! Richard Ricky Hale (writer) from West Virginia on August 25, 2013:@Faith, I appreciate comments, tours, and everything faith, ALWAYS!! Laughing now crying then tattoos are quite symbolic, actually surprising me, but many people can relate to laughter now crying later in the phrase. Since many of us go through trying time, it becomes symbolic to all of us. Thank you Faith:}@Rosemay, many thanks for commenting.) Naturally, laughter is now crying later the tattoo shape carries a variety of different symbolic meanings. It's interesting that one design can hold so many different meanings. Thanks again:)I told the @AE, ya Ruby, I love the positive meaning of laughing now crying then tattooed. I think it's been a crying battle to many because it's referred to as a prison tattoo design or gang tattoo. Even with this negative association, laughter now loves tattoo design doesn't always mean that someone goes to jail. LOL, Cheers, see you around Ruby:)Ruby Jean Richert of Southern Illinois on August 24, 2013:I Echo another comment, never saw this type of tattoo before, but I like a positive message, 'Tomorrow is the other day of my 'Favorite movie, 'Go with the wind. 'Cheers of Ricky... Rosemary Sadler of Hawkes Bay - NewZealand on August 24, 2013:Very interesting Ricky, I've never seen this before not knowing such a tattoo exists. They definitely carry the message. Faith Reaper from the southern United States on August 24, 2013:Wow the lyrics, I wouldn't think that there was a tattoo for such a subject, but obviously there was! Awesome. This gives one to pause to the powerful messages they send. All of them look like big tattoos too. Now, I've seen mask tattoos before with a smiling/sad face, but never know what they're called. Vote ++ and share BlessingGod. Hug you this wonderful day, Reaper Faith
