## Visalus compensation plan pdf

Business is an opportunity! There are people who want to be a customer, distributor or both. However, every customer wants their own free products, so 99% of people will present the challenge and start making money with a healthier lifestyle! GBP figures We believe that the European market is the right environment for visalus, as our European neighbours are also facing a challenge due to the obesity epidemic, which is so effectively targeted by both the Vi 90 Day Challenge and the ViSalus product supply. (Ryan Blair, Visalus CEO) Vi Comp plan ways to get paid1. Add £39 Vi Toe-in-the-water.2 to the selected kit. Start with vi executive promoter system (£349) - a challenge for people who seriously start a business and advertise. Your product is included in this executable system. You will receive additional mentoring and training and additional examples. Also an option to get BMW and Weekly Enroller Pool.3. Vi Star Promoter System (£779) -for people who are very serious about starting a business. The Star Promoter system includes everything in the executive system plus an additional 25 Taster packages, 10 Starter Packs, 25 Success Home Magazines, 25 Challenge Journals, 10 Challenge Magazines, 1 Book Champions, Vitality Couples Registration (Superbowl, Once a Year Event) and 25% discount on one-off buy store buy. (£1,340 retail value). CLICK HERE TO BECOME A REP Click to enlarge. The reality of the vi comp plan will soon be updated, which is that it cares about the Middle Class – this is very important for the longevity and stability of the company. If you have a middle class with a car drive and about £2,000 a month, people will stay and this will stabilize the remaining bonuses, payments and compensation plan levels. It doesn't sound like rocket science, but now it's revolutionary - other companies will now copy, given Vi's success, but copying is good - it shows that you're getting it right! It was very important for our business model that our compensation plan had a high reward at a reachable level. (Blake Mallen, ViSalus co-founder and chief marketing officer. So the Vi compensation plan was designed to look after all people at all levels and to promote appropriate behaviour for reward, stability and longevity. It is a masterpiece and best described by one of its creators. If you've watched videos, I hope you now understand how ViSalus is changing the network marketing industry – Challenge Marketing concept with Body by Vi Challenge, and this amazing compensation plan with the basics of how to monitor all levels and provide some of the best incentives and rewards. These videos should contain information that you need to understand in detail in the ViSalus compensation plan. But below we show a few more highlights of what to expect: Defending a dream car in the first couple of months of a new business is huge. The promoters gain confidence from his statement of success. It just becomes a vehicle to drive you through the rest of the compensation plan. (Blake Mallen). Arriving at BMW proves that the dream is real. With Visalus can achieve success anyone. (John & Vivienne Carosso). Hitting the regional director was such a huge achievement for my family and for me. I like to help others achieve the same thing and more! I appreciate how Vi rewards us at the beginning of his career. (Witch Myersough) Achieving Bimmer's club status in 32 days was great, but knowing that someone earns a BMW every 40 minutes and that someone you know can be next is priceless. (David Cummings). The impact you get on BMW has on your Vi business is amazing! Remember that driving a well-earned bimmer is not materialistic, it's proof that the Vi system works! (Steven Cornell). Our awesome ND retreat experience catapulted us to the quest to go further, dream bigger and achieve bigger than we ever had. Since that rip, we have achieved all our goals and must dream higher! (Alicia DuBose). Vi treated us like rock stars! It wasn't just cool to be close to the founders and our mentors. Our business was out of a part-time deal deal. Training has fueled our team and we roar ambassador! We feel blessed, Vi, it saves us! We love Vi-Life! (Steve and Stephanie Poulin). Vi PD Paradise builds eternal experiences, memories and friendships. Being part of a company has never felt so rewarding – just one of the reasons why we love living Vi-Life. (Rafael & Danielle Feliu). The ambassador's level and the above-the-way promoters often earn salaries that they only dreamed of. (Blake Mallen). New ambassadors get the coveted black jacket and have the opportunity to earn an additional \$25,000 bonus on the usual commissions. Star ambassadors get more bonus checks and stylish jackets to match, and it's just better out there. You can get \$500,000 to check out the Royal Ambassador, and a cool \$1,000,000 check as a Crown Ambassador. Global ambassadors receive a Monthly Black American Express card uploaded with funds from ViSalus Global Economy Pool, CLICK HERE TO BECOME A PROMOTER REP Instead of trying to create successful sales people, why not create a company that doesn't need it. We have created a company that can go viral. - Nick Sarnicola, founder of Vi. - We were inspired, experienced and supported leadership. - We are professional, friendly and organized! - We very closely working with top distributor Vi and time and plans are already available to ensure your success is ready for launch date. I don't think anyone really understands what's going to happen because of the viral posts of this 90-day challenge. We are currently building our own economy. We are out completely changing the industry. There is no company that has the growth, momentum, leadership and opportunities we have. This comes at a time when most other direct sales companies are seeing a decline in sales during the downturn. So ViSalus is approaching an early hyper-growth phase in North America right now, and it shows no signs of slowing down! The 2012 Of \$650 million sales are a phenomenal achievement – put this into perspective, it is double the weight of product sales in North America herbalife. Now it's growth! Awarded the Direct Sales News Global Industry Award as the fastest growing company in the industry, as featured in the Wall Street Journal. 1.5 million new people started the Body by Vi Challenge in 2012 and now, every 20 seconds, someone joins the Challenge – it's 150,000 new customers every month and growing! Every other 7 people drink Vi Shake. Millions of pounds. Lost people on the body vi challenge. 18 000 ViSalus promoters in the Vi Regional Convention 2012! Our information on the compensation plan helps explain why the numbers are so high! The impact on customers' lives is staggering - on this site we show some examples of how the Body by Vi Challenge has changed people's health and life, and these are just some of the thousands of customer success stories. There are 5 different sets to choose from, each specific for your specific goals - we have detailed information about each of these on this site: - Vi balance set - Vi Basic set - Vi Fit Kit - Vi-shaped set - Vi Transformation Kit Vi compensation plan is revolutionary and an important part of this huge growth and success. 50% of each dollar is paid by the institution Vi Promoters. But that's how you pay out that 50 cents that makes a difference! The ViSalus compensation plan was designed specifically to compensate all levels. What they have done is bring the middle class back to network marketing rather than having a few people at the very top make a lot of money (although the plan is still very profitable for those at the top – but it is more balanced). Vi is the first company to develop an inverted car program. Someone new is entitled to a BMW bonus every 40 minutes, just for the challenge. The ViSalus Middle Class all have a BMW and a good average monthly income that stabilizes the plan and significantly increases the distributor On average, 30 new 6 figure earners are created each month. Unheard of customer retention – people actually save money on their monthly food expenses. At less than \$2 a meal, the Body Vi Challenge helps people save money and s healthy at the same time. There is also 3 free incentive where both promoters and customers can identify 3 other customers and get their autoship FOR FREE each month. This has led to amazing customer retention. ViSalus has a 6:1 customer-to-promoter ratio - with average product revenue of \$413 (4 X industry average!)
