Alita battle angel dvd release date walmart

It took a while, but it looks like Alita is ready to come to the shelves after her explosive big-screen debut this year. In February, audiences appeared in theaters to see Alita: Battle Angel, and the film will make its way to home video in July. Now, ComicBook.com is here to give you an exclusive update to an option package, and it hype up to everyone's favorite sports motorball. Sold exclusively at Walmart, Alita: Battle Angel will be sold on Blu-ray, a DVD with a special motorball gift set. You can check the package below to see your sweet gift. And yes, it's a funko keychain you're watching. Alita looks so adorable as she makes a cruel, fit in her Motorball gear. (Photo: 20th Century Fox) For those counting down the days to Alita: Battle of the Angel Falls, Blu-ray and DVD will be released live on July 23. Digital editions of the film will be available from July 9, and this Walmart exclusive will also include code. This special package will not only include a Motorball gift kit, but also the package will put a whole bunch of special features. A feature called Alita's World will take audiences deep into the film's universe and use comics to explain parts of the heroine's past. From The Fall to Iron City fans will get a lesson on improte and other special features will also get spotlights. For example, From Manga to Screen will explain how Yukito Kishiro's favorite manga has been adapted into live action, while other features will specifically explore everything from Motorball to Iron City and more. You can check out the bonus of any home video releases below: Alita: Battle Angel Blu-ray Special Features Alita's World - get a deeper look at the world of Alita: Battle Angel with these dynamic comic movement comics. Autumn - a look back at the terrible war that nearly destroyed two planets and set the stage for the return of cyborg warrior Alyta 300 years later. Iron City - Hugo gives a tour of the Iron City he knows, showing off his dark corners and shattered neighborhoods. What it means to be a cyborg - warrior hunter Pan traces his brand through the Iron City while having fun what it means to be a cyborg. Rules of the game - high-octane crash course in Motorball, introduction of rules, game play, and the highest ranked players and their arsenal of weapons. From Manga to the screen - backstage looks at the beginning of Yukito Kishiro's favorite manga, Gunnum, and the long way to revive him on the big screen. Evolution of Alita - how Alito was created to life, from the casting of Rosa Salazar, to the performance, and the final VFX by WETA Digital. Motorball - go to iron city's favorite pastime, from the origin and evolution of the sport, to rules on how to play the game. James Cameron, Robert Rodriguez and John Landau's Q&A. Robert Rodriguez 10-minute cooking Chocolate - a cooking lesson on how to make delicious chocolate like the one seen in the film. 2005 Art Compilation (2019) - James Cameron's original compilation of conceptual art for the then Battle Angel: Alita, presented with new voice and music. Deconstruction on stage - see three different stages of the production - the original live filming for action, the animated scene and the final VFX from four different scenes that I don't even know my own name, just a minor girl, I'm a warrior, right?
