Fill in the blank song lyrics

Photo: RCA Records Label There's nothing as uplifting as an inspiring ballad about power when you feel down, or as energizing as a fast-paced dance tune when you're working. And when you can't get out of bed after a soul-crushing breakup, these thrilling I'm-over-you tracks can come to the rescue. Thus (and many others), pop music has the power to touch everyone. Songs of this genre dominate the U.S. Billboard Hot 100 for no reason - radio plays them non-stop, and a record number of Americans buy, download or stream them. From prolific pop icons like Madonna, Britney and Beyoncé to lesser-known artists who top the charts with one or two infectious melodies, these talented performers know how to get hundreds of thousands of people on their feet. They also have a knack for dropping catchy singles, to which everyone finally knows the words, whether we like it or not. Are you one of those people who always has a pop song playing in your head? Each was a pre-teen probably remembers awkward slow dancing, dancing, tank-tops from the mall, and shouting to every word pop-radio hits. Songs from the late 1990s and the beginning of the 21st century may now seem like a distant memory, but at that time many of them were iconic. Looking back on the era, there are certainly lyrics that you completely forgot existed until now. From time to time, one of these songs will be played, in a clothing store or on the radio or on an ironic party playlist, and these words will bring you right back to that middle school auditorium. Several genres flourished in the late 1990s and early 1990s, and both decades were a period of growth for alt-rock, rap and hip-hop, and pop music. While some of the more popular songs didn't exactly come up with genres or experiment in a new way, they were certainly fun. Whether it's soft-rock Anna Nalick or one of Enrique Inglesias's slow-dance staples, you may have forgotten some of these songs. There is no time like the present to listen again and remember those texts that, for better or worse, have shaped your teenage years. 1Too Little, Too Late - JoJoLong before Taylor Swift declared she would never be back with her ex, JoJo was penning pop break-up hits. Every seventh grader definitely listened to this after breaking up middle school, which everyone knows means no more sitting together in a canteen or date group for a movie theater. Then everything was difficult. Memorable lyrics: I'm 5 to say it now / Your chance has come and gone / And you know / It's just too little, too late / A little too long / And I can't wait2 Just the Girl - Click FiveAtlantic Records on YouTubeIf you forgot, the love interest of the hero in this song works on 100 power-proof attitudes. So she's still aspiring after all these years. Memorable lyrics: Because she's bittersweet/ She knocks me off my feet / And I can't help myself / I don't want anyone else3Closing Time - SemisonicIf this one hit miracle doesn't immediately ring, it will come back to you as soon as the piano notes play. It's everywhere from the movies opening credits against the backdrop of the fave 2000s TV show, and even now it's a tough song to escape. Memorable texts: Closing time / Turn on the lights over every boy and every girl / Closing time / Last phone call for alcohol so finish whiskey or beer / Closing time / You don't have to go home, but you can't stay here / I know who I want to take home. 4Big Girls Don't Cry – FergieThis song, which was one of Fergie's first post-Black Eyed Peas songs, was a slow dance staple. Also, can we talk about what an absolute nostalgia-fest this movie is? Product Placement Candy! Fake tats Milo Ventimiglia! What a time it was in 2006. Memorable texts: And I will miss you as your baby misses their blanket / But I have to move on with my life / It's time to be a big girl now / And big girls don't cry5I Feeling - - Eyed PeasBlackEyedPeasVEVO on YouTubeSlander Fergie, who can forget this super hit by Black Eyed Peas? Back in 2009 it was the number one song to get you pumped overnight, and if you weren't sick at the end of this year, now is the time to bring it back. Memorable lyrics: Feeling wooohoo that today will be a good night / That tonight will be a good night / That today will be good, good night6It's 5 to Be Me - NSYNCW depending on which great boy band of 2000 was your fave, there may be a time in childhood where you knew every word for every NSYNC song, Although Bye Bye Bye may be the band's most famous song, for real fans, this song was equally important. Memorable lyrics: Baby, when you finally/ Get to love someone / Guess what / It's 5 it will be ja7Hand In My Pocket - Alanis MorissetteAlanis Morissette on YouTubeIt's a shame that most alanis songs are now degraded to background music; it's time to bust these for belt purposes. It's hard to choose the singer most to sing along to a worthy song, but this one is definitely there. Memorable lyrics: "cleans throat" I have one hand in my pocket, the other gives you a high fee-lll--VVVVEE8Breathe (2am) - Anna Nalick Admit it - this song still makes you emotional in 2017. Nalick's hit ballad is stuck for some reason because it interweaves some sad stories and introduces them into a heartfelt chorus. It's a perfect, sad-sappy pop song. Memorable lyrics: "Because you can't jump over a track, we're like cars on cable/ And life is like an hourglass, glued to a table / No one can find a scroll button, girl / So cradle your head in your hands breathe... just breath/Oh breathe, just breathe9Hero - Enrique Inglesias EnriqueInglesiasVEVO on YouTubeThat song played at every dance and other school event I attended in middle school and high school. So many awkward slow dances have been shared with this song, I don't know if I'll ever forget the lyrics, but maybe so. Memorable lyrics: Can I be your child here/ I can kiss the pain / I will stand by you forever Do you think Augustana has ever found where they are going? The chorus of this song traveled throughout the continental United States, and even after that time it is difficult to forget about this journey. Memorable lyrics: I think I'll go to Boston / I think I was tired / I think I need a new city / To leave it all replaced - BeyoncéWhile we all bow to Queen B for her last two albums, which are through all the masterpieces of metrics, you can forget about this radio hit from early teaches. Beyoncé had so many hits at the top of the charts, but this song was absolutely everywhere in the year she came out. Memorable texts: Everything you have in the box on the left / In the closet is my stuff, yes / If I bought it please do not touch12Hey Delilah - Plain Plain T's HollywoodRecordsVEVO on YouTubeThe Plain White T had a real moment with this song, and it will continue to be their only classic. Despite one hit band status, this acoustic ballad was such a success, it can be far from completely forgotten. Memorable lyrics: Hey delilah there / What's it like in New York?/I'm a thousand miles away / But girl, today you look so pretty13American Boy - Estelle Ft. Kanye WestThis song had so many memorable collabs hard to believe she could get lost in a decade. John Legend has an episode in the film, and a very young Kanye West appears to drop the verse. This upbeat jam was so much fun, and definitely worth listening to again. Memorable lyrics: Take me on a trip, I'd like to go one day / Take me to New York, I'd like to see LA / I really want to come kick it with you / You'll be my American boyThis songs were total classics. Classics.
