This documentary tells us that Eric Carle creates a picture book from the very beginning with an idea that is the ultimate work. The film tells the story of the Eric Carle Museum of Picture Book Art, a museum Eric and his late wife Barbara co-founded, as a way to give back to children, parents, educators, and art lovers. The whole movie is Eric Carle's passion for creating picture books and the message that all of us creative artists are coming through. I can do it, you can do it, he says. Eric's sense of connection to the child he once had and the sensitivity to each child's unique nature inspires the audience in classrooms, teachers, parents and young readers of Eric Carle's beloved books. Eric Carle: Picture Writer, The Art of the Picture Book taps into that deep creative need for all of us, the spirit started with Eric as a very young kid and is incessant today.
