# Train simulator 2020 requirements

Since Train Simulator was first released as RailWorks we have continued to develop the core game and introduce more detailed roads and locomotives than ever before. 64-bit conversion allows creators to add more content and detail to their scenarios, routes, and trains. With this in mind, you must meet or exceed the following requirements to run each available item with performance. Although you can play and enjoy games with a lower specification system, we cannot guarantee that each route can be played without performance issues. Our minimum requirements for 64-bit Train Simulator 2020 are:

Operating System: 64-bit Windows 7 Service Pack 1, 8.1 or 10 Required (Other Operating System versions and types not supported) Processor: Intel Core-i3 4330 3.50 GHz Dual Core or AMD A8 6600K 3.90 GHz Quad Core or Better Memory: 4 GB RAM or better Memory: NVIDIA GeForce GTX 750 Ti or AMD Radeon R9 Graphics 1 Special GB VRAM or Better Direct : 9.0c Network: Broadband Connectivity (There may be additional costs for use) Storage: 40 GB or more available space (Additional Plugins require more) Sound Card: DirectX Compatible Audio Device Additional Notes: Requires mouse and keyboard or Xbox Controller 32-bit Train Simulator recommended requirements 2020: Operating System: 64-bit Edition Windows 7 Service Pack 1, 8.1 or 10 Required (other operating system versions and types) are not supported : Intel Core-i5 4690 3.50 GHz Quad Core or AMD Ryzen 7 1700 3.80 GHz octa Core or Better Memory: 16 GB RAM or Better Graphics: NVIDIA GeForce GTX 970 or AMD RX 480: 9.0c Network with Rade 4GB Custom VRAM or Better DirectX: Broadband connectivity (May incur additional costs for use) Storage: High Performance SSD recommended with 40GB or more available space (Additional Add-ons will require more) Sound Card : DirectX Compatible Audio Device Additional Notes: The above features require, but may not support, the mouse and keyboard or Xbox Controller Laptop, Laptop, Mobile, or Low Power versions (including Intel or Integrated Graphics).
