As my heavenly father, you know what I need and you provide all my care. Help me trust you to take care of me. Prayer for power and increased faith God, my power is gone. I can't- but your word says I can do anything through Jesus that makes me stronger. Give me your strength, not your physical strength, but the power to move mountains that flow from faith in Jesus. Help me trust you to do what I think I can't do. May your power alone support me. A prayer for peace that comes through God's faith, the peace that comes through believing in you outweighs all human understanding. Help me keep my faith in you alone so I have peace and not hesitate in my thinking. The world wants to destroy the peace I have through faith in you. To protect my mind and my heart from the things of this world. Shed your perfect serpance.
