This will help you find all the fish, dishes, books, cards, character notes and the card the game has to offer. Along with it you will find all the chests, complete the Batter Book, and complete all Side/Branch Campus Quests that unlock a fair amount of trophies. Step 2: Replay game on Nightmare / Unlock the remaining binding trophies! Tip: Make sure you beat the game on Normal before trying this as playthrough will be much easier thanks to being able to perform over all items. Once you finish the game you will want to perform all things on to a second playthrough on Nightmare. During this playthrough you will be able to unlock everyones Bonding Trophies due to having unlimited soldering points and finish any unfinished trophies related to battle. Upon completion of the game you will be a proud owner of the Platinum Trophy.
