## Nickelback how you remind me lyrics terjemahan

How you remember I never did it as a wise man He never did it as a wise man could not cut it like a poor man stealing I could not cut it like a poor man who stole Tired of living like a blind Man Tired of living as a blind I am sick of feeling meaningless The way you remind me who I really am That's how you remind me That's how you remind me who I really am It's not like if you said sorry It's not like I'm waiting for a different story I'm waiting for a different story to give you a heart worth breaking Because you gave yourself a heart that deserves to be hurt and I've been wrong, I've been down, And I've been wrong, I've been sad state at the bottom of every bottle These five words in my head Scream , are we still having fun? Screaming, are we having fun? It's not like you don't know it wasn't I didn't know I said I love you and I swear I keep saying that I love you and I swear that still and it must have been so bad And this must have been so bad because living with me must have almost killed you because that's how it's like , you remember me and that's how you remind me who I really am That's how, you remind me That's how you remind me That's how you remind me who I really am It's not like you say it's like it's waiting in a different story I'm waiting for a different story To give you a heart that's worth breaking because give you a heart that deserves to be hurt and I've made a mistake , I've been down, and I've been wrong, I've been sad State at the bottom of every bottle These five words in my head Scream, are we still having fun?
