I recently bought this straight jacket pair and realized that it doesn't fit me perfectly. I still like it a lot and can still use it, but it would make it so much better if I could change the nose pads into something bigger to fit my Asian face. Are there replacement nose pads for these things, bigger hopefully? Sign up to see this ad reactions not: DaysOfNoah @alstairsgene looks good on you. Yes, there are both small and large nose bombs. I wear the little one, but I could have a black (unused) pair of big left.... I will look for you. can you take a picture inside the bridge so that I can see the existing nose bombs? I would like to confirm that you now have the little ones. @alstairsgene looks good on you. Yes, there are both small and large nose bombs. I wear the but I could have a black (unused) pair of big left.... I will look for you. can you take a picture inside the bridge so that I can see the existing nose bombs? I would like to confirm that you now have the little ones. That's awesome! Here's how it is now. Reactions: DaysOfNoah @alstairsgene Yes, these are small nose bombs. Have all your hands full, but will check for you later and keep you up to date. I can give you a (pm). I'm not sure you can answer a PM until you have 15 posts? They are at 11. So maybe you're making a few more posts that you're almost there. What Oakleys wear you today is always a funny thread.... Prima!! Okay, I'll do that. Thank you!
