Sidetrade (Euronext Growth: ALBFR. PA), the artificial intelligence platform dedicated to accelerating corporate revenue and cashflow, ranks for the first time in the Major Players category of IDC's assessment of suppliers in the Order-to-Cash market. In the recent release of their MarketScape dedicated to Order-to-Cash, research group IDC positioned Sidetrade as a major player among vendors of Worldwide SaaS and Cloud-Enabled Customer Automation Applications. In particular, two assets enabled Sidetrade to achieve this distinction: Sidetrade's international footprint Sidetrade solutions are already used in 80 countries. Unlike most of their competitors, which concentrate mainly on North America, sidetrade has demonstrated their ability to effectively roll out their AI technology in different countries at the same time for complex multinational organizations. Sidetrade's exclusive, highly advanced AI technology Use self-learning and a database representing \$124 billion technologies, while many finance directors still work with old-fashioned spreadsheets. IDC concludes by saying: Consider Sidetrade when you are looking for a software provider that specializes in AI technology and has a global footprint, or when cash collection, dispute resolution and bad debt improvements are primary business focus. In a press release referring to the IDC study, brokerage Midcap Partners welcomed the fact that IDC's analysis agrees with their assessment of Sidetrade's potential, their BUY rating and TP of EUR 151. Sidetrade appears as a first-class international and innovative player with a strong positioning in what is at the heart of the Order-to-Cash market (cash collection, dispute management, etc.). This reinforces our vision of a group that is extremely well positioned to take advantage of a rapidly evolving market. The current crisis has served as a reminder of how important cash management is. The professionalisation of the financial management of debtors is under way and promises years of growth for market players. - Midcap Partners Next communications 2020 Annual revenue: January 26, 2021 (after the stock market closes) Investor & Media relations Christelle Dhrif +33 6 10 46 72 00 cdhrif@sidetrade.com About Sidetrade (www.wwww.sidetrade.com) Sidetrade (Euronext Growth: ALBFR. PA) accelerates the company's revenue and cashflow. Its artificial intelligence, Aimie, is able to recognize and anticipate customer behavior to recommend, in real time, the best strategies for sales and finance teams. Aimie strengthens three pillars of the customer journey: sales development, loyalty and pick-up speed. Sidetrade has a global reach thanks to its 250 talented employees based in Paris, London, Birmingham, Dublin and Amsterdam. Sidetrade's technology, used in 80 countries, allows more than 2,700 companies of all sizes and sectors to be more competitive. For more information, visit us at www.sidetrade.com and follow us on Twitter @Sidetrade. In the event of inconsistencies between the French and English versions of this press release, only the French version should be considered valid. Attachment Sidetrade ranked a Major Player in the order-to-cash market by the IDCA woman abandoned four cats on the void deck of an HDB block after believing that her family may be infected with the COVID-19 virus through her pet. Reports of Indian discontent at the prospect of being forced into strict quarantine for the fourth Test against Australia in Brisbane could increase tensions on the field in the series' third match, the home side's captain Tim Paine said on Wednesday. Paine said reports at the weekend that India may refuse to play at the Gabba were starting to annoy some of his players and could result in a backlash when the third start at the Sydney Cricket Ground on Thursday. I think there's a bit of excitement starting to boil under the surface with a lot of unnamed sources coming out from their camp saying where they want to play the fourth Test and where they don't want to go, he said in his pre-match news conference. Tight spreads, high leverage, powerful platform - your equipment for rock forex marketMoeen Ali tested positive on Monday and is self-insulating, but the latest round of testing produced no further positives. England's touring party was released from isolation in Sri Lanka on Wednesday and allowed to train ahead of next week's first Test after recording no further positives in the latest round of the Covid-19 Test. With the exception of Moeen Ali, who tested positive on arrival at Hambantota Airport, and close contact Chris Woakes, the touring party have now been released from their rooms where they had been isolating since arriving in the country on Sunday. If England pass a second round of tests on Thursday, the series will be given the green light to go ahead. Follow the latest updates Updated: 12/31/2020 by Computer Hope Any key is any of the keys on the keyboard, such as spacebar or Enter. When an application gives the prompt Press any key to continue, it means that you must press one of the keys on the keyboard to continue. Keep in mind that there is no computer key labeled any key. Tip When you're not sure what's highlighted, we recommend using Esc as any key. If a program or program is highlighted and you press the Enter key or spacebar, it can enable or execute the highlighted program or highlighted option. For example, if your computer screen is asleep, you can press the Esc key to wake it up. Related Pages Keyboard Terms
