## Temporary dental bridge pictures

Simrath Sehmi12:08 07 Mar 20 I'm so glad I came to the sparkle dental boutique for all my cosmetic dentistry. My results are amazing and were achieved in less than 9 months. The team and staff here are super professional, friendly and make you feel very comfortable and always answer any questions you may have. I don't think I can ever go to another dentist now @ Sukhvinder Punn18:20 11 Feb 20 I had some major cosmetic bonding on my upper 4 teeth. After consulting with two other dental firms, I was told that filling holes of this size would not be aesthetically pleasing. But after a consultation with Dr Verma, she assured me that it was possible, and even made a quick mock example of what it would look like to have the binding done. I found this very useful and agreed that they should carry out the treatment. I recommend this practice for cosmetic work and the professionalism. They did an amazing job and I can't stop smiling. I'm so happy with the goal! Excellent job. Laurian Tudose21:09 22 Dec 19 This dental practice is by far the best I have been in the UK. Completely in line with U.S. or Canadian dental standards. For many years I have been looking for a practice that offers the same level of service I was used to in North America. And I found it. Thank you Dr. Verma for good care and high quality services. ska a19:57 21 Dec 19 I gave 5 stars because the results exceeded my expectations. During the compound binding procedure, I hoped Dr.Verma would know what I wanted my teeth to look like. I foresaw the moment I look in the mirror to see the results- would they look like how I imagined or turn out completely the wrong shape? The mirror was handed over to me and my first word was wow. My teeth were just the way I imagined they would look in shape and perfectly matched my tooth color and length. I would definitely come back for further treatment. Elizabeth Parker22:04 20 Dec 19 Such a lovely dental practice - all are just fabulous, very kind and generally brilliant. Special call outs to Sunita who is a wonderful dentist and incredibly kind and Colin who is by far the best dental hygienist I've ever had an appointment with Both is super thorough but also very conscientious as my teeth can be a little sensitive. Would very well recommend. Elizabeth Parker15:08 14 Dec 19 Such a lovely dental practice - all are just fabulous, very kind and generally brilliant. Summer R13:44 24 Nov 19 I do not live particularly close to this branch, but I have now made the journey for two different cosmetic dentistry years apart because the service is so good. Most recently, teeth whitening and dental bonding had been done and from start to finish the process was quick, easy and well explained. Would recommend to all my friends and family and I will definitely come back in the future if I need it! Shivani P22:11 20 Nov 19 I would strongly recommend Sparkle Dental Boutique to everyone. I have just finished my Invisalign treatment and could not be happier with the end result. Sunita has done a fantastic job. The team there is so friendly and there is a homely atmosphere every time you visit. Colin, the hygienist, is the best I've ever been to, and now I wouldn't go to see any other Gemma Fontaine19: 41 12 Nov 19 I was so anxious to have my very crooked teeth straightened, but less than a year later my firm braces are off and I have perfectly straight teeth. I can't believe the difference it makes, I'm so happy with the results and my only regret is that I didn't do it before! I'm so glad I chose the sparkle dental boutique that I felt genuinely taken care of and looked after from my very first (very nervous) appointment. The staff were very friendly and helpful. Carol Miles10:51 05 Nov 19 I have been to Sparkle for many years and have always been treated respectfully, carefully (and with good humour) by the beautiful team at Sparkle. This year I finally picked up the courage to have some implants. I was incredibly nervous, but it all went very well thanks to Nick - in fact the procedure wasn't at all painful. Having the new teeth has had the unexpected advantage of making me feel younger! It is never too late for improvements; my teeth look more healthy, they're right for the first time ever, and it's so amazing to be able to eat nuts and carrots again with ease! Thanks Sparkle. Dr. Honey Trap - Honey Astrology17:54 02 November 19 5 \*. The staff were very friendly and helpful. I came here for gum contouring and a tooth cleanser. I didn't like having to pay £50 consultation, but it was worth it. Usually dentists are so quick to get rid of you, but they treated me on a personal level and had time, and this is why I followed through after my consultation because I didn't have to. Tooth cleaning was extremely thorough and the best I've had. As you can see from the photo, got mine me to look like I had baby teeth. Very happy happy Contours. Painless. And the outcome is life-changing. Thanks. Dr. Honey Trap - Honey Astrology00:25 02 November 19 5 \*. The staff were very friendly and helpful. I came here for gum contouring and a tooth cleanser. I had the opportunity to discuss what my concerns were with my teeth and what I wanted to achieve. At no point did I feel uncomfortable or pressured to get anything done. More than exceeded my expectations. Marie O'Gara10:13 18 October 18 19 After an accident that resulted in the loss of a front tooth I received amazing treatment from Sunita and the team at Sparkle. They have not only restored my smile, but made it straighter, whiter and brighter than before. Since you completed the treatment friends have commented on how nice my smile is. It is also very natural, which was important to me! Thanks! Danny Breviano08:52 25 September 19 Due to moving a lot, I have been to many dental surgery and I must say that Sparkle Dental Boutique is truly unique to the others, from the offer of Sparkling or still water on arrival to mild care during treatment. I can't recommend this dental clinic enough and Sunita who performed my quick wisdom teeth recovery! Thank you Heather Appleby11:48 07 Sep 19 The whole team on the spark has been incredibly friendly and professional during my treatment. I'm so happy with my smile now. I have so much more confidence and it was done so much faster than I expected. Sunita is an exceptional orthodontist and I recommend anyone thinking of straightening their teeth to check out Sparkle! They've changed my life! Carol13:17 05 Sep 19 This is a first-class dental practice. Well run, efficient and extremely organized. All members of the team are very competent and thorough, yet gentle in what they do. Sunita, the master dentist is a consummate professional, she takes the time to explain what she is doing and why. She never pushes for unnecessary treatments, but is happy to advise on what is involved. I have had various treatments done over the years and have nothing but praise for them. I have come to Sparkle Dental Boutique for the past 13 years and will continue to do so. I would strongly recommend them to anyone interested in the teeth and smile. Vin Dhillon14:40 30 19 August I've never been a fan of the dentist - But the people at Sparkle make you feel so relaxed! Colin the hygienist is so friendly and thorough that my teeth have never felt so good or been in such good condition. And I've been at Sunita since I was a little girl - I wouldn't trust anyone else with my teeth. I can't recommend them high enough. Patti Yip09:58 26 Jul 19 You are always very well cared for here by every member of staff. Unfortunately, I had to have an extraction recently due to a troublesome wisdom tooth, but I received a large level of care before, during and after the procedure. I strongly recommend them. Sacha Hamed21:17 22 Jul 19 Always good service. This is the other great work I've done with the spark. They are all so friendly and put you at ease even if you are nervous. They are not pushy and do not try to oversell - just give you the facts to make the decision. Having to have more important work that I would have avoided if it wasn't for them. Nick was very calming and explained exactly what was going to happen. Felicity Sandford14:43 09 19 July 19 I recently discovered The Sparkle Dental Boutique on Boston Manor Road, Hanwell, Ealing - and what a revelation it is! A beautiful and relaxing waiting room, lovely, friendly and professional staff. The treatment rooms make like you're in a spa! I've had a general check up, plus hygienist session with Colin - which is amazing and gave me some good tips on being better with my dental hygiene. I also had bleaching treatment that I am very happy with and feel far more confident smiling at close-ups now. Highly recommended! Emma Louise Beattie11:15 22 December 18 A big thank you to the amazing team at Sparkle Dental Boutique! I couldn't be happier with my teeth! After 6 months of c-fast braces and some cosmetic bonding work, I've gone from hating my crooked teeth and being very shy about my smile, to absolutely loving them. Sunita and her entire team are professional, talented and good at what they do. They really went beyond getting my treatment done (to a fantastic standard) in time for my overseas move. I can't recommend them enough - Sparkle is hands down the best dental practice I've ever been to.
