Recently we heard the news about My Time portia we all waited. My Time at Portia upcoming updates are going to hit very soon. Let's hope they meet in the summer of 2020. So first, let's take a look at the updates preview video. We should kindly embed below for you. So, as you can see, two updates are coming. We can't say for sure what all the features will be, but we can definitely memorize some of them. In the first update, there will be some additions regarding Lucy. He is a character in My Time portiai and he does a hard job of teaching at school. There aren't many missions connected to it right now. We can only remember certain circumstances and a couple of incidents. But in the first Portia upcoming update, there will be a questline that will tell us more about Lucy. We're excited because we don't know much about him yet. Also, there will be really useful and awesome things – face change feature. The machine that can do that shows up at the hospital. So you have to go there, use the machine, and here's a new perfect face. But that's not all the My Time portia upcoming updates. Since there will be one more and bigger update in a few months. Pathea team announced to add two more characters! We don't know who they are, but I think that has something to do with the 10-hour endgame content that comes with the second update. It would be great to play some new content after you finish the game several times with different heroes, wouldn't it? And don't the sale of Steam to My Time in Portia ☺ Anyway, that's all now and we promise to tell you more if we can do something interesting. Now, you can subscribe to the updates below! Maria R.Gaming NewsApril 10, 2020 About Maria R.Since early childhood, I loved the game. I played Doom 2, Red Alert 2 and, of course, The Sims. I grew up, but my passion didn't go away. So now I write about the things I love the most: video games! Here are the official update news from the developer. This is a hotfix and localization fix, we will implement some more of these content in a few months. Our immediate plans are to correct errors and add sounds. THIS IS NOT ALL SOUND; MORE VOICES WILL COME LATER. Stay tuned and, as always, thank you for your patience and support! If you remember Pathea games posted a video preview of them where they gave us some tips on what comes next. Well, good news as the first My Time at Portia update is now available! My Time At Portia Update - New Missions, Character Customization & More! First of all, if you own the game the only thing you need to do is get this game updated. Easy as pie! The update is free for anyone who already has the game, of course. On the other hand, if you want to make my Time portiai, now is the best time because of all these new changes. My Time At Portia New Missions Previously we learned that a new site questline will be added to the game. The news concerns school teacher Lucy Portia. But as we know, now there are a lot of new site quests in the game! So the list of them is below. Lucy's side missions are Remington side quests django side missions Merlin site missions We are all familiar with these great characters, but there has been a lot of communication with or with them. And we didn't know much about their doctrines. So now we have a chance like this! Also, Uplifting Gift Quests are added to the game. After completing portia's new missions, you can open up the ability to change the character's appearance. I remind you that a new item is placed in the hospital, which changes its appearance. My Time At Portia updates Other updates to Portia related to new NPC connection impact and new localization. Now my time in Portia is available in Vietnamese! In addition, there a lot of fixes added to the game. You can see the full list of them here. Many of them correct the errors in the appearance or movement of other characters. But some important technical issues, such as Dee-dee transport management issues, have also improved. We are all eagerly awaiting the next big update that will come to my time portia in a few months.
