We provide emergency services so you can be sure that your animal is in good hands! Emergency services available If you have an emergency, please contact us now! Dr. Polo and his passionate staff are working to identify and treat your pet's illness quickly and accurately with the help of our own laboratory and full-service pharmacy! Trust in our expertise Read more about our treatments I loved taking my cat here. Dr. Case-Miller is a good broker, and he never makes us feel like incompetents. Andrea C. (Yelp Review) We treat your pet like a family member from routine check-ups to cancer treatment - when your animal needs veterinary care, look no further for the Berlin Township Animal Clinic. Reset password help! I've forgotten my password! Pet exceptional care, unusual care of your pets, welcome to the New Berlin Animal Hospital! We have been part of this community since we opened our doors in 1972, providing quality and compassionate veterinary care in New Berlin, WI. Over the years, we have grown significantly and are proud to remain privately owned. When you visit us, you will find a caring, dedicated staff who create a welcoming experience centered around you and around your pet. We take the time to know you both so that we can provide veterinary care with personal touch. Our veterinarians provide a diverse treatment and a deep sense of sympathy. With our combined experience, we are able to care for cats, dogs and exotic pets with exceptional care. Each veterinarian is also USDA accredited, which requires further training in providing detailed health certificates for travel both domestically and internationally. Did you know we're deeply involved in the New Berlin community? We support local rescue and shelters, children's sports teams, hospitals in our area, are members of the Better Business Bureau and more! As a responsible pet owner, you want to be sure that our animal hospital can meet all your pet's needs and perform services with compassion and skill. So, you will be glad to hear that we supply high-quality medicine with a standard approved by the American Animal Hospital Association. AAHA accredited hospitals are in their own providing exceptional care to pets with the latest treatment provided by veterinary medicine. The new Berlin Animal Hospital primarily provides treatment for cats and dogs, but some are also adept at serving exotic animals such as birds, small mammals and reptiles. The services we provide to exotic pets include preventive care, diagnostics and basic care (e.g. cam or nail clippers). If your pet needs additional services or complex treatments, we will refer you to trusted experts with whom we have relationships. For cats and dogs, we offer comprehensive services that include wellness tests, disease screenings, advanced surgery, skin disease and allergy management, and more. We are a full-service animal hospital that provides special and general pet care to the New Berlin, West Collis and Milwaukee areas. We offer a wide range of diagnostic services, X-ray examinations, surgical procedures, vaccinations and routine inspections. As an animal hospital for top-level research, we strive to provide you and your pet with the highest quality of care. We understand that the pet is part of the family. Our goal is to provide everyone with a long, healthy and happy life. The day your pet comes to our hospital, it will also become part of our family. From new puppies and puppies to graying to seniors, we're there every step of the way. Our comprehensive veterinary service ensures that every aspect of their well-being receives the excellent care they deserve. See all services the doctors and staff at Companion Animal Hospital are the best in the business! They treat you and your pets as a family. We recommend! I had two Shih-Tzus for dental cleansing and the staff are very friendly and informative and they really care about the dogs/cats they care about etc. You can tell that the staff love animals and really take care of them not only when you come for treatment, but also follow with you to see how your beloved pet is feeling afterwards. Friendly, helpful, knowledgeable professional staff! They will do everything in their power to give you and your pet the best care! Highly recommended Companion Animal Hospital for all your pet's healthcare needs. The staff at Companion Animal Hospital are fantastic. They have a sense of humor, they answer all my sometimes crazy questions with a smile and are very knowledgeable. I love that they are open to alternatives other than meds. Availability hours are a plus. My animals love them, too. I recommend companion animal clinic. The clinic is clean, organized, effective, great with animals and their owners. The staff at the office are fantastic but especially Kay... they are friendly, patient and a calming/comforting presence. Veterinarians are very skilled. We'd like to hear from you!
