How the grinch stole christmas script pdf

Picture: Universal Pictures/Lighting Holidays spend time with all the people you love concerned, spreading cheers for your friendly neighbors and fondness for sweet and delicious treats. But if you're like the Grinch, maybe the holidays are about throwing Christmas decorations away, taking pine trees into the woods and stealing gifts from others. Even if you love holidays, we all have Grinch-like features in us! The only friend the Grinch has in his life is his dog Max, with which he lives on Mount Crumpit. This place shows how much you love people because it's quite far from the friendly town of Whoville. The Grinch wants to steal Christmas from the others, and it succeeds in its attempt. Make no mistake: Behind his bad smile lies the smart and calculated mind planning all the ominous moves bee before. But beneath it all, the Grinch has a soft and vulnerable soul who feels alone with no friends in his life. He doesn't know how to communicate with others, and being grumpy isn't always about hating the world, it's one's self-hatred. Grinch has many layers to his personality, and if you want to know how much he looks like him, then it's time to take our grumpy test now!
