## Military personnel policy manual

```
The Vermont State Personnel Policy and Procedures Manual is designed to establish policies and procedures currently in place in the state government. This guide is designed to achieve the following goals: To provide a unified human resource management system throughout public administration. Promote managers in developing
sound management practices and procedures, and effectively use human resources throughout public administration. Promote effective communication between managers and employees. To ensure, protect and clarify the rights and obligations of both the employee and employees. These policies and procedures are intended
to serve as guidelines for assisting in a unified and consistent management of personnel policy. This policy guide is designed to provide important information on how to accomplish the agency/department's mission in the Vermont state government's administrative base. Hr policy and procedures guide is available in two formats. All
instructions are in a portable document format (pdf). You can view, print, and search for text or topics in this indexed (bookmarked) PDF document. This can be found in & amp; amp; forms Documents. The following is an online version with each policy as a single PDF document. Poзділ 1 — ІНСТРУКЦІЯ З ПОЛІТИКИ
