BarneyPages : 400 pagesPublisher : Pearson 2014-08-14Language : EnglishFor courses in strategy and strategic management. Core strategic management concepts without the excess. Only the essence, Strategic Management and Competitive Advantage strips out excess by only presenting material that answers the question: does this concept help readers analyze real business situations? This carefully crafted approach provides readers with all the tools needed for strategic analysis. Also available with MyManagementLab Strategic Management and Competitive Advantage is also available with MyManagementLab, an online homework, tutorial and assessment program that really engages students in learning. It helps students better prepare for the classroom, quizzes and exams, resulting in better performance in the course, and provides teachers with a dynamic set of tools for measuring individual and classroom progress. Students, if interested in purchasing this title with MyManagementLab, ask your instructor for the right package ISBN. Instructors, contact your Pearson representative
