But what is its relevance to you? How do you use this old account for your life today? What do you have in common with the men and women who lived thousands of years ago in agricultural cultures that were very different from today's world of computers and highways and towering skylines? As you read about the construction of the temple in Israel or what Jesus had to say to the Pharisees about the laws of Israel, what timeless principles can you apply to your life? Turn to the Life Application Study Bible. Its wealth of study aids helps you translate the truths of the scriptures into practical action. You'll find hundreds of application notes filled with insights for godly life. Character sketches help you learn from the strengths and achievements, weaknesses, and mistakes of important Bible characters from Aaron to Zerubbabel. A dictionary concor dance allows you to important words and concepts. In-depth book introductions and timelines provide an overview of important concepts and help you put the biblical narrative in perspective. NASB translation description: In the mid-20th century, The Lockman Foundation saw the need for a new translation based on the values that inspired the venerable American Standard Version (ASV). Using the same demanding word-for-word approach as ASV, a team of conservative translators and researchers drew on the strengths of their predecessor and in new Hebrew and Greek text sources to produce a brand new translation. The New American Standard Bible (NASB) was released in full in 1971, and was updated in 1995 to make it more understandable for modern-English readers. It is recognized as today's most accurate word-for-word translation. Thousands of note in the text will enrich your understanding of the biblical text and show how it relates to what God is doing in your life now. Located near the relevant verse, application notes make understanding of the Bible pleasant and rewarding. Character sketches introduce you to biblical people like Abraham, showing how the choices he made in his epic journey of faith provide insight into your personal journey of faith. The life experiences of people from the Old and New Testaments provide eternal perspective on the daily choices we must all make. You will also learn about cultural backg © 1996-2014, Amazon.com, Inc. or its affiliates I received the Life Application Study Bible as a gift from Evelyn, my wonderful wife. I had always wanted one and was very happy to receive it. The publisher says it was designed to help answer the question: What does God's Word mean to my life today? Who doesn't want to know the answer to that question? To help you in this quest this study Bible features: Over 10,000 in text application notes to help you apply scripture principles to your life Over 100 personality profiles Book introductions, sketches, charts, maps and charts Information about the intertestamental period A Christian worker supplement to improve the effectiveness of your service A harmony of the Gospels There are many more features of this Study Bible as well. I like it and look forward to applying God's Word more effectively in my life. Bible Study Lessons › Study Bible Review › Life Application Adult Camps and Mission Projects Women's Children Students Leadership Young Adults Worship Virtual Events Ridgecrest Sorry, this title is not available! Click a feature to learn more. Tap a function to learn more. Resource Guide The Resource Guide is the most powerful feature in the Olive Tree Bible App. As you read your Bible in the main window, the resource guide follows and displays relevant Bible study information from study notes, comments, maps, and more. Comment / Study notes knowledge of any passage of the Bible, just when you need it. The Resource Guide lets you know when information in this title is relevant to something in the main window. It will also track along with you as you read through the Bible. Map Are you wondering where the old Israelite city is located that you're just reading about? Check out the map the resource guide finds for you, zooms in or does it in full screen - or both. Cross-references Quickly see all the verses relevant to the current verse you are reading. Tap the cross-reference, a pop-up window appears, and then you can quickly navigate to the corresponding verse - without leaving the passage you're reading. Charts Learn more with information displayed in visually appealing ways. Not sure which charts you have? The resource guide automatically retrieves charts from relevant sources as you study. Introductions Quickly find information about a book in the Bible, its author, date, audience, purpose, and other topics. If you have an introduction to the Bible book you are currently reading, the resource guide will make it readily available to you. Linked verses Did your resource mention a scripture, but you can't remember what the verse says? Never fear! Tap the linked verse and a pop-up window appears, giving you quick and easy access to the verse in context. See more available for: iPad, iPhone, Android, Kindle Fire, Mac and Windows.
