Really average/better disappointing options with more responsive staff out there in the San Diego area in my opinion) by Robert N loud and less isolated rooms until about midnight. I begged the staff to help. And then after i kept simply asking for an extension of one hour, only to have that denied. Just given 30 minutes (10:30) What is really sad is that while here you will be given the opportunity to get pitch sales that can cost thousands. Well, I've made up my mind now, I'm not buying anything here. In my opinion - if they don't have the decency to respond with a slight request, they won't respond to your need as a customer when you buy here. You were Thousands at the Hilton Grand Holiday Club. I wouldn't take it here at all the location is nice, the units are spacious, but this was definitely the one off. We do not look forward to any stock responses to this review. It seems tricky after calling the office twice for not getting any attempt towards customer satisfaction. The best options in both the world of the hotel, and the time share world. I mean this from the bottom of the heart of the fitness center is not ready but a wonderful place by Harold H we arrived last Tuesday of October 2019. Check-in was quick and easy since one of our rooms was ready. There is a resort fee that includes parking \$20. However, Hilton time share owners are covered using points for resort fees. The lobby staff is friendly and helpful. Unfortunately, tour operators were unable to present the Legoland gift as discussed before arrival. It was disappointing with my fellow travellers. At least they were informed before the tour. (Take advantage of soCal resident for \$60 private online.) Another disappointment but the fitness center is expected to be closed. Although the location before the trip states the fitness center will be ready by 10/22/19, it was not. The lobby staff confirmed the closure before we arrived. Since I was still in physiotherapy, I had to bring my own weights. We are allowed to use the fitness centre in Marbrisa but a 4 minute drive is less convenient. Although the site has a shuttle service within a 5-mile radius, there is extra time to land and pick up. My fellow travelers are as happy as last year with sangria social late Wednesday afternoon in the adult pool. This year, a three-year-old has a children's play area. We had a view of the ocean again but in a renovated unit. The walls are still completely incorrect guide. We could hear the baby crying on the third floor as well as a baby running. However, these parents kept the noise of the children to a minimum. Parents of my 3 year traveler mentioned that don't trample on the floor as well. Next time, I must come back during the flower season blooming. The ocean view with flowers in the foreground should be beautiful. Note: In the room is an independent water boiler but not a washer/dryer. The Olympic-sized spa pool overlooking the ocean is actually an adult-only pool area just off the lobby. Families can enjoy the family water park, which is located between the villas and features picnic areas and barbecues. The family pool is open from 8am .m to 9pm.m. The adult pool is open from 7 .m to 11 .m. The activity center is open Monday to Thursday from 8:30 a.m. .m to 9 p.m..m, Friday and Saturday from 8:30 a.m. .m to 10 p.m.m. The only on-site restaurant is Carl Strauss Beer and Restaurant, which features a buffet breakfast of 7 to 10 .m with custom-made omelettes, and all-day dining afternoon and evening. Happy Hour offers daily special sames offerings between 4 and 6:30 pm.m. The resort's sister property is the Sheraton Carlsbad Resort & Spa, where a free shuttle service takes guests to the 20/20 Grill & Wine Bar. The restaurant offers sweeping ocean views and outdoor dining in the courtyard with fire pits. Open for breakfast, lunch and dinner. Everything about extras the resort charges a resort fee of \$16 per day to cover parking, internet, towels and garbage service, and a 15 percent discount at the gift booth at reception.
